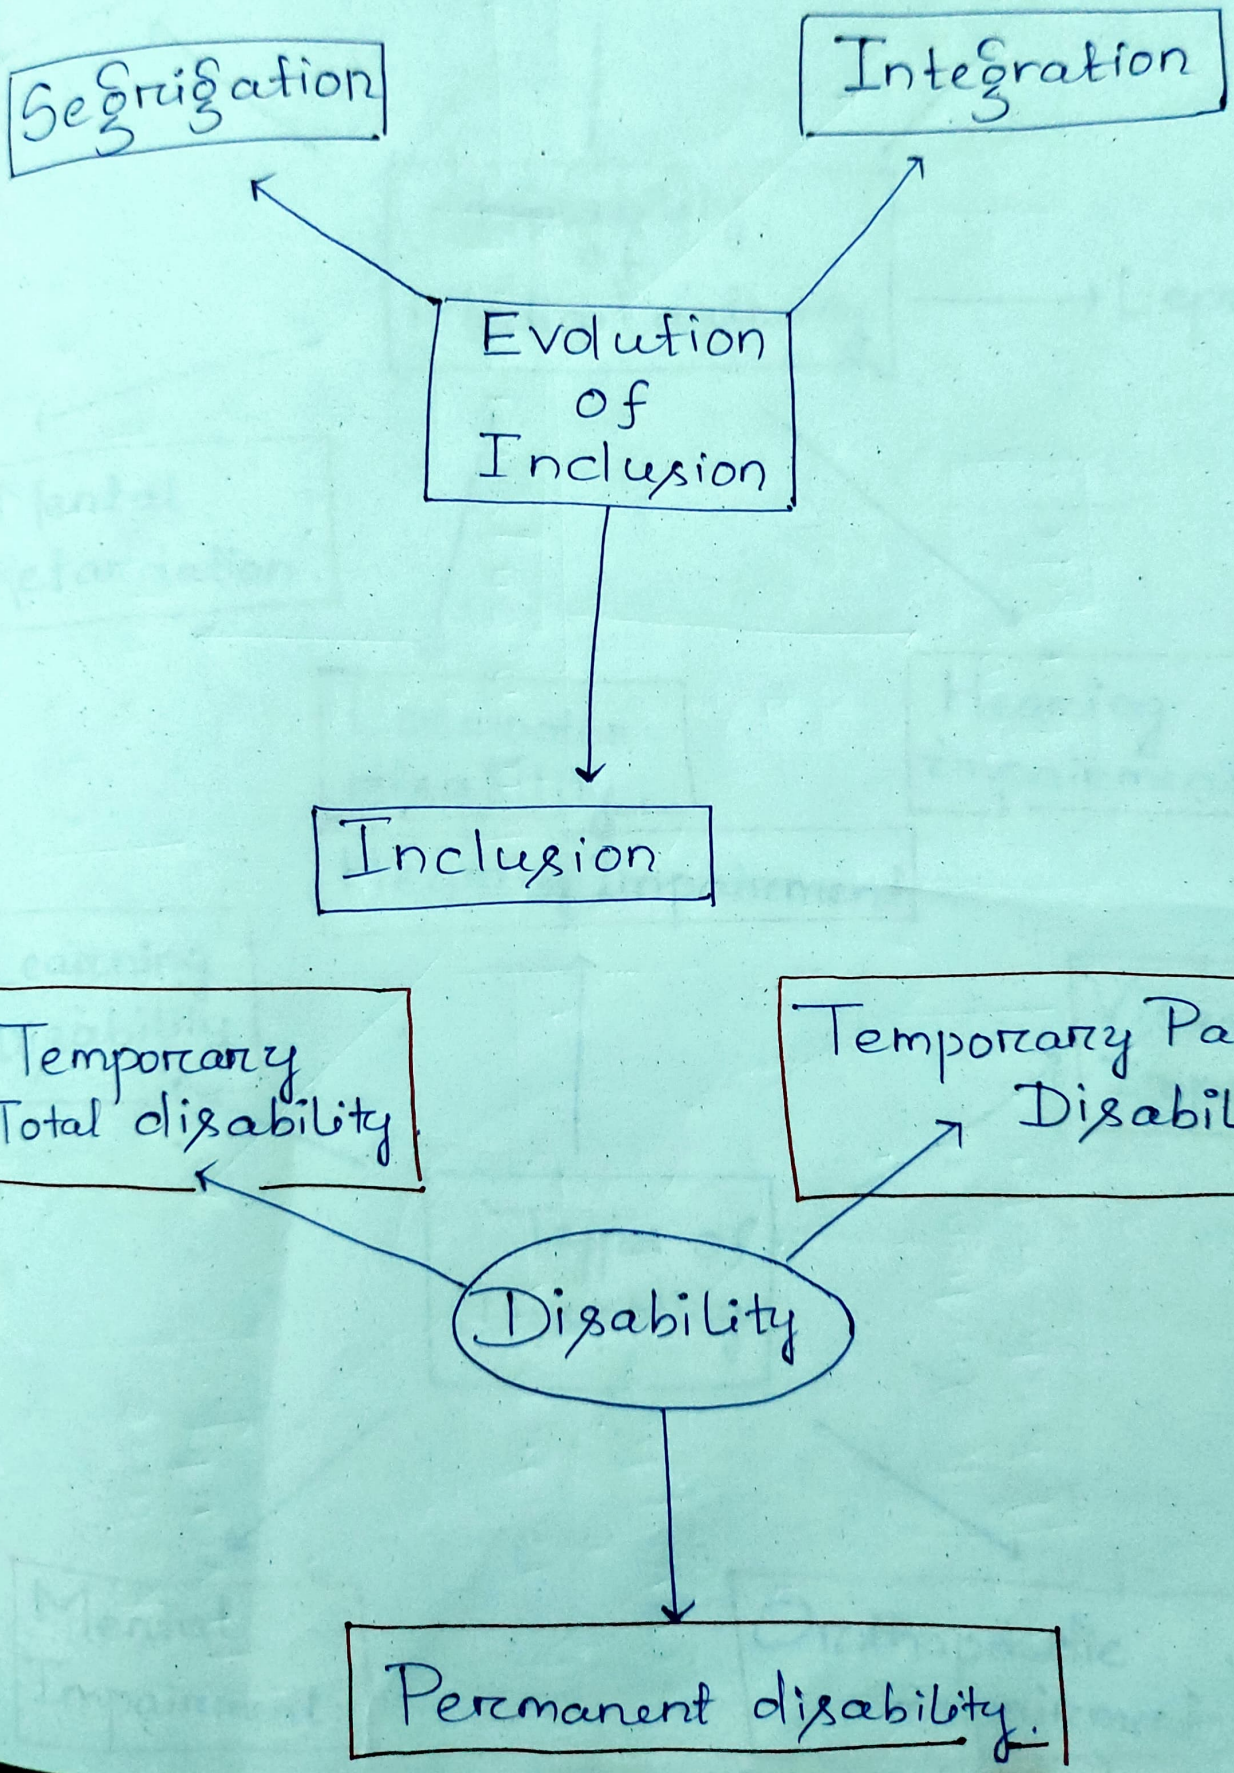
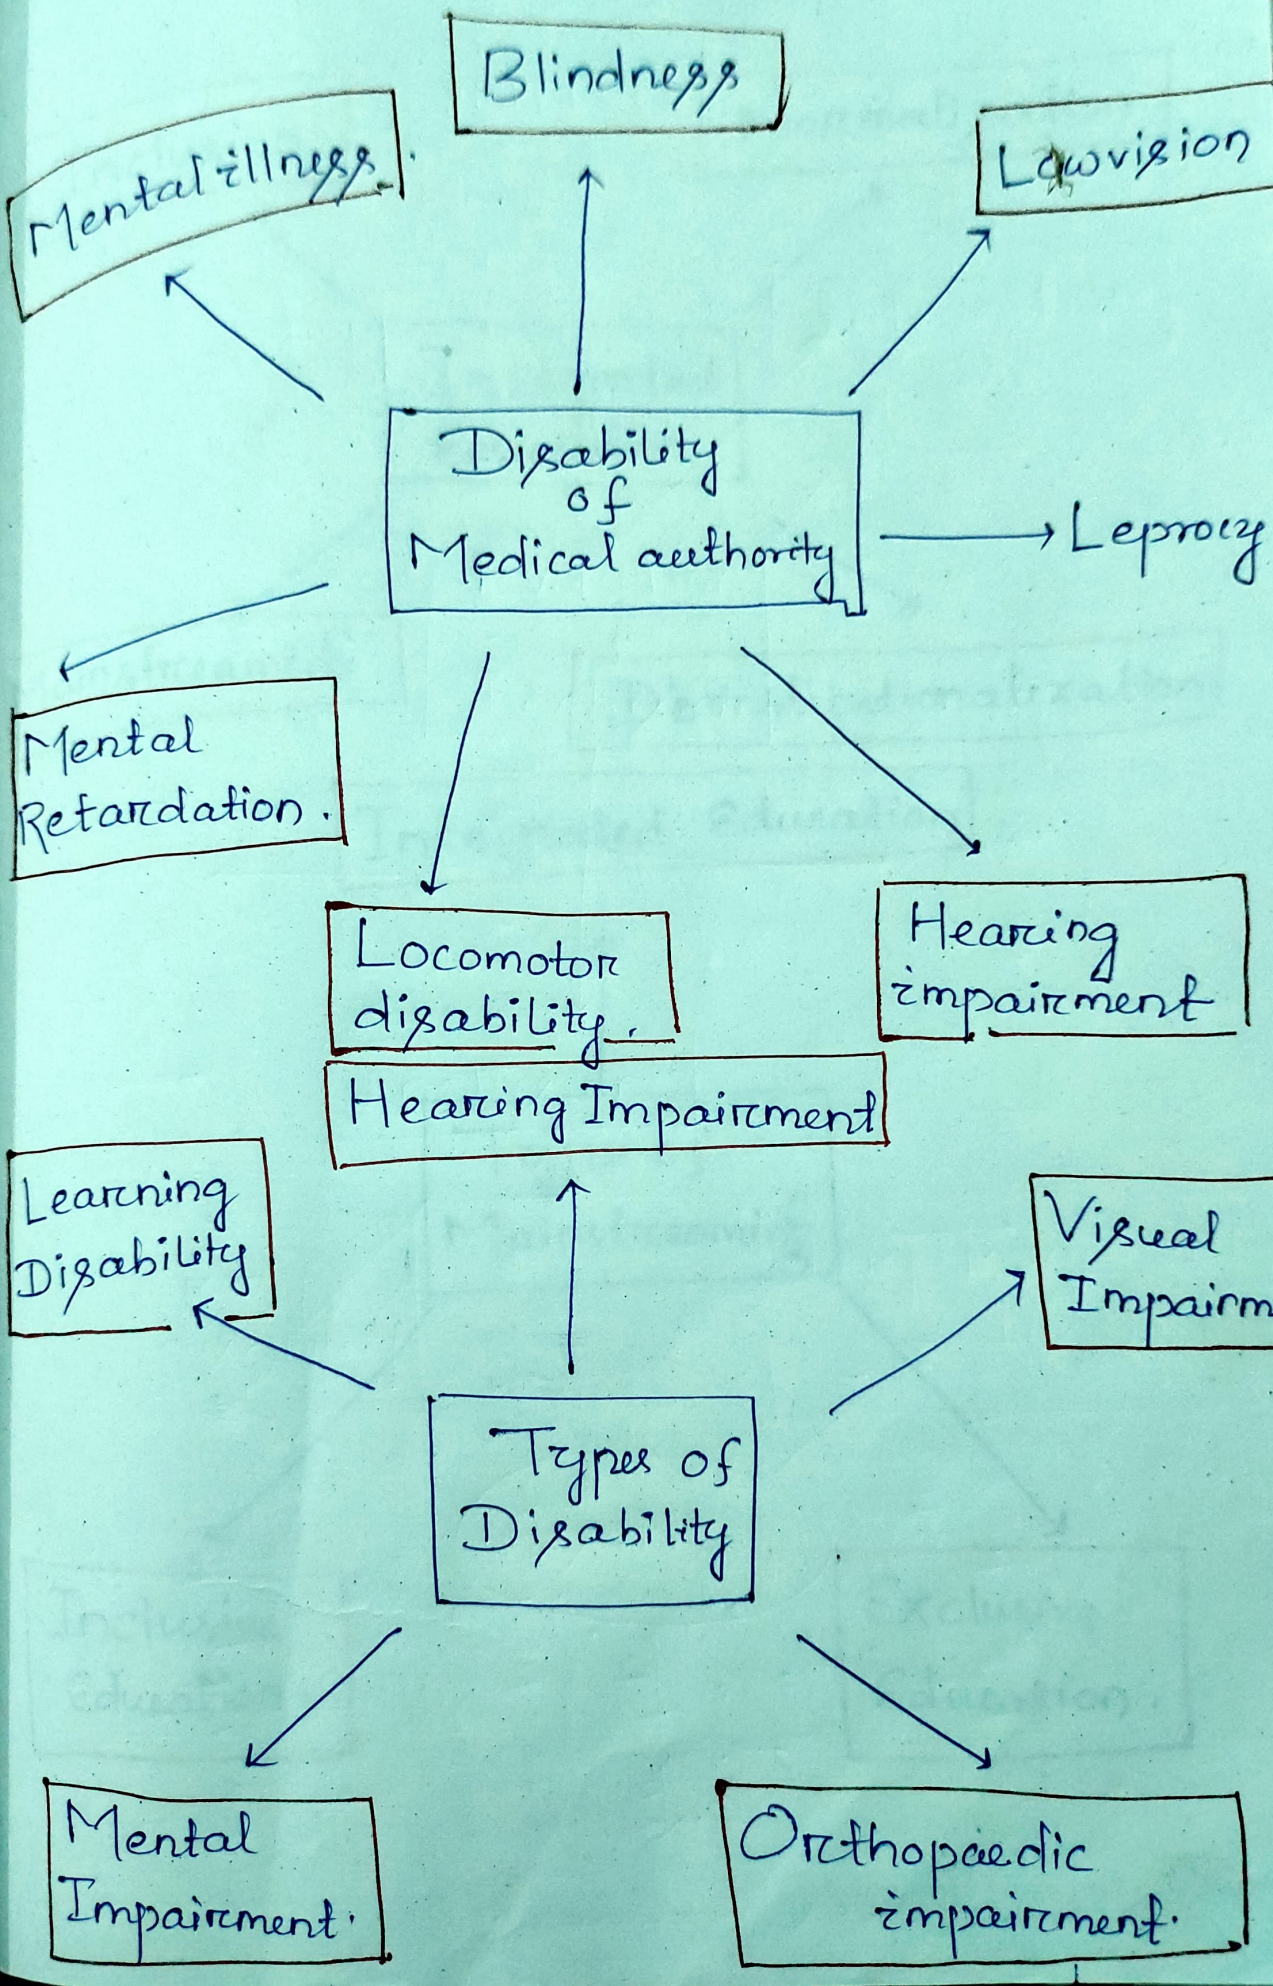
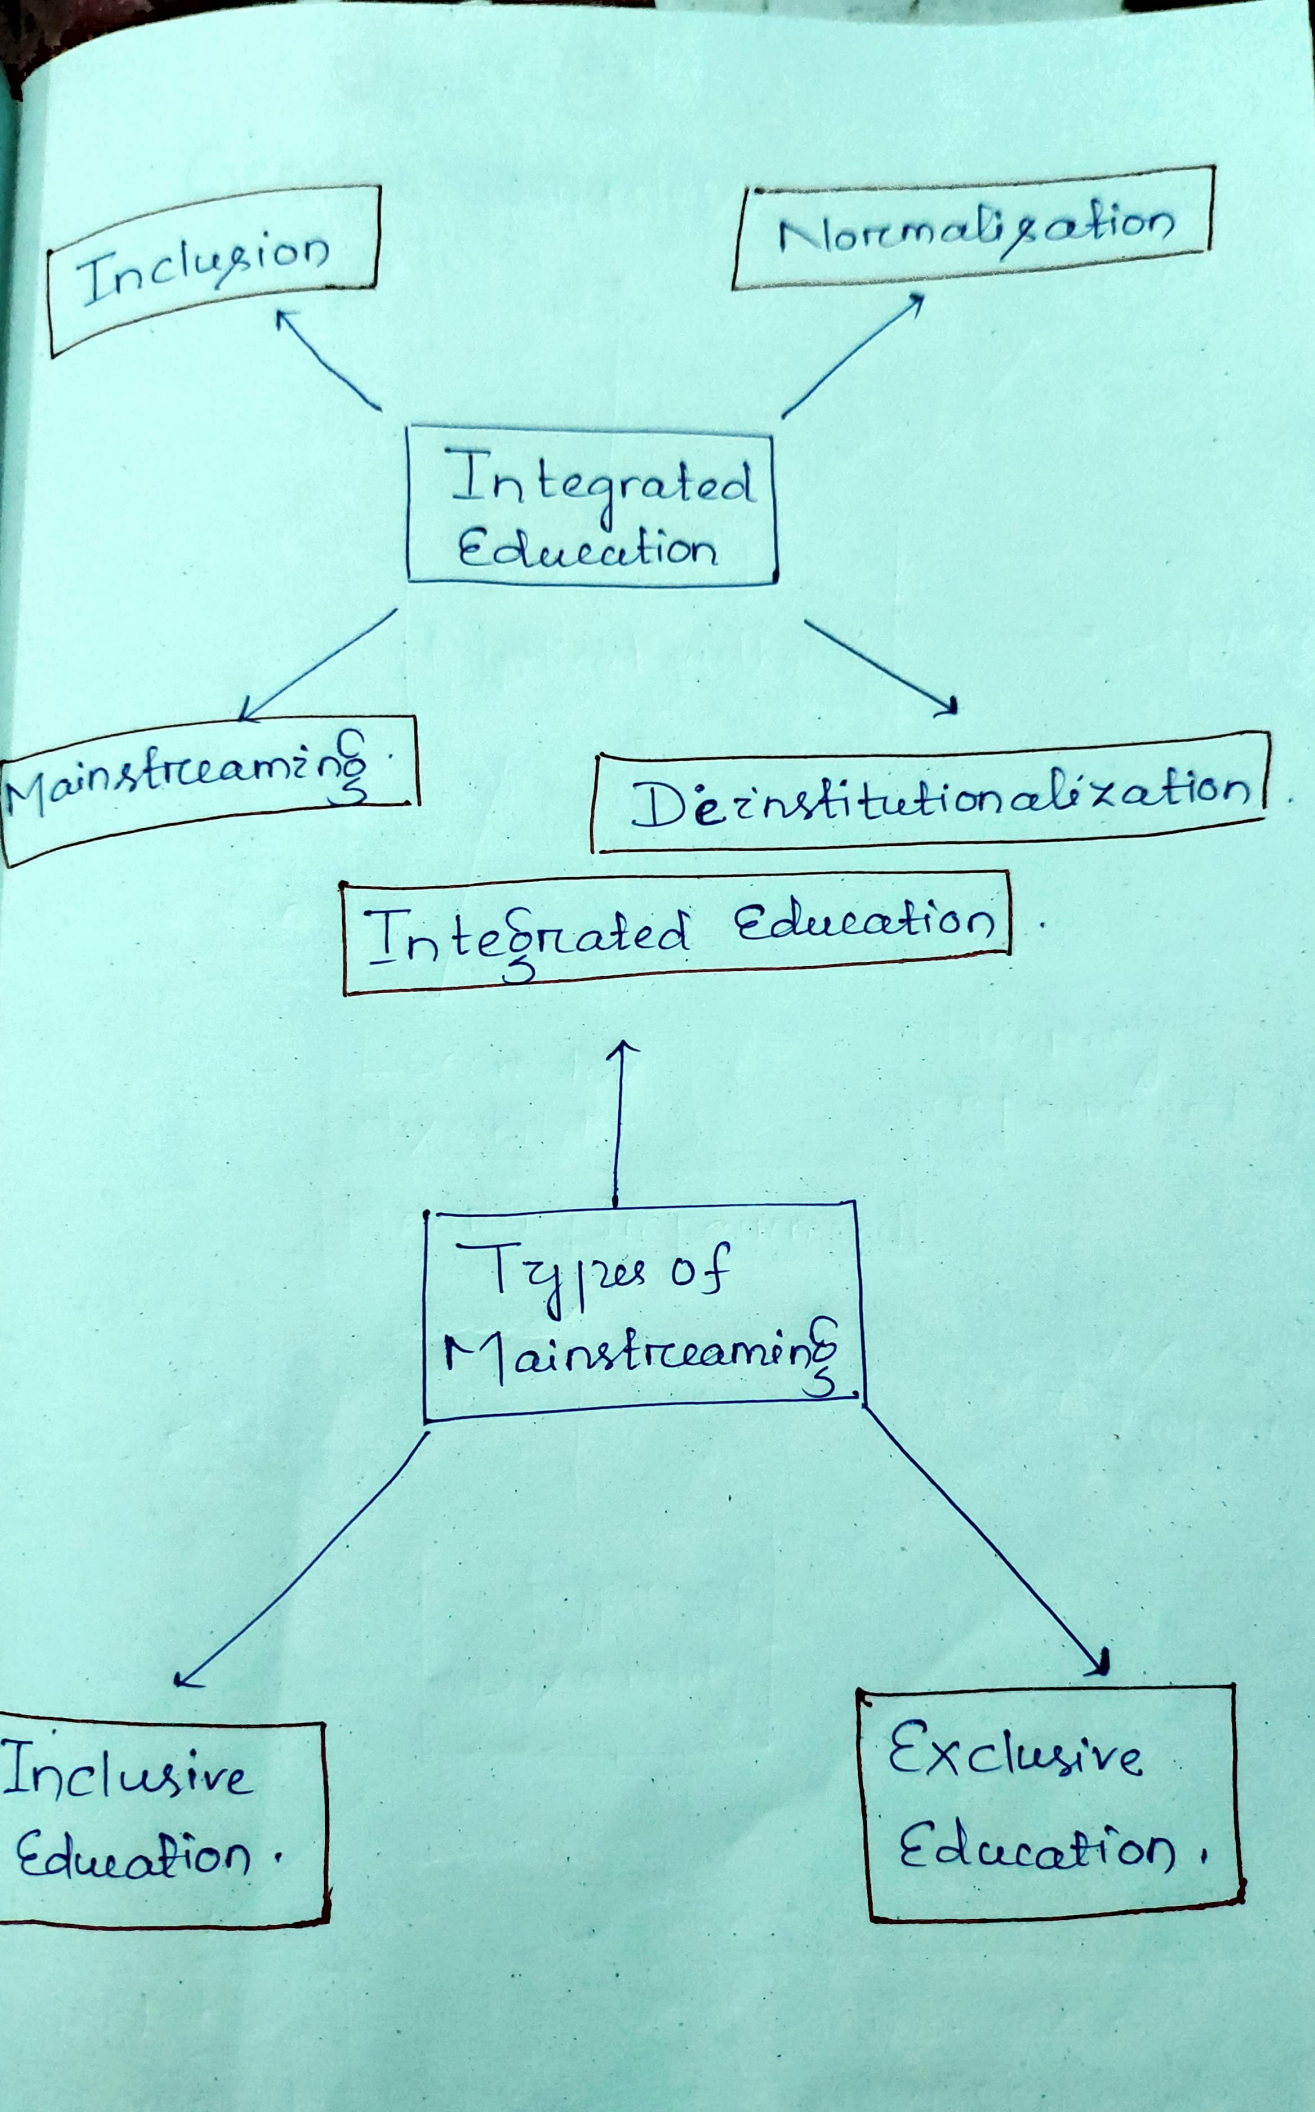
Inclusive Education

UNIT-①

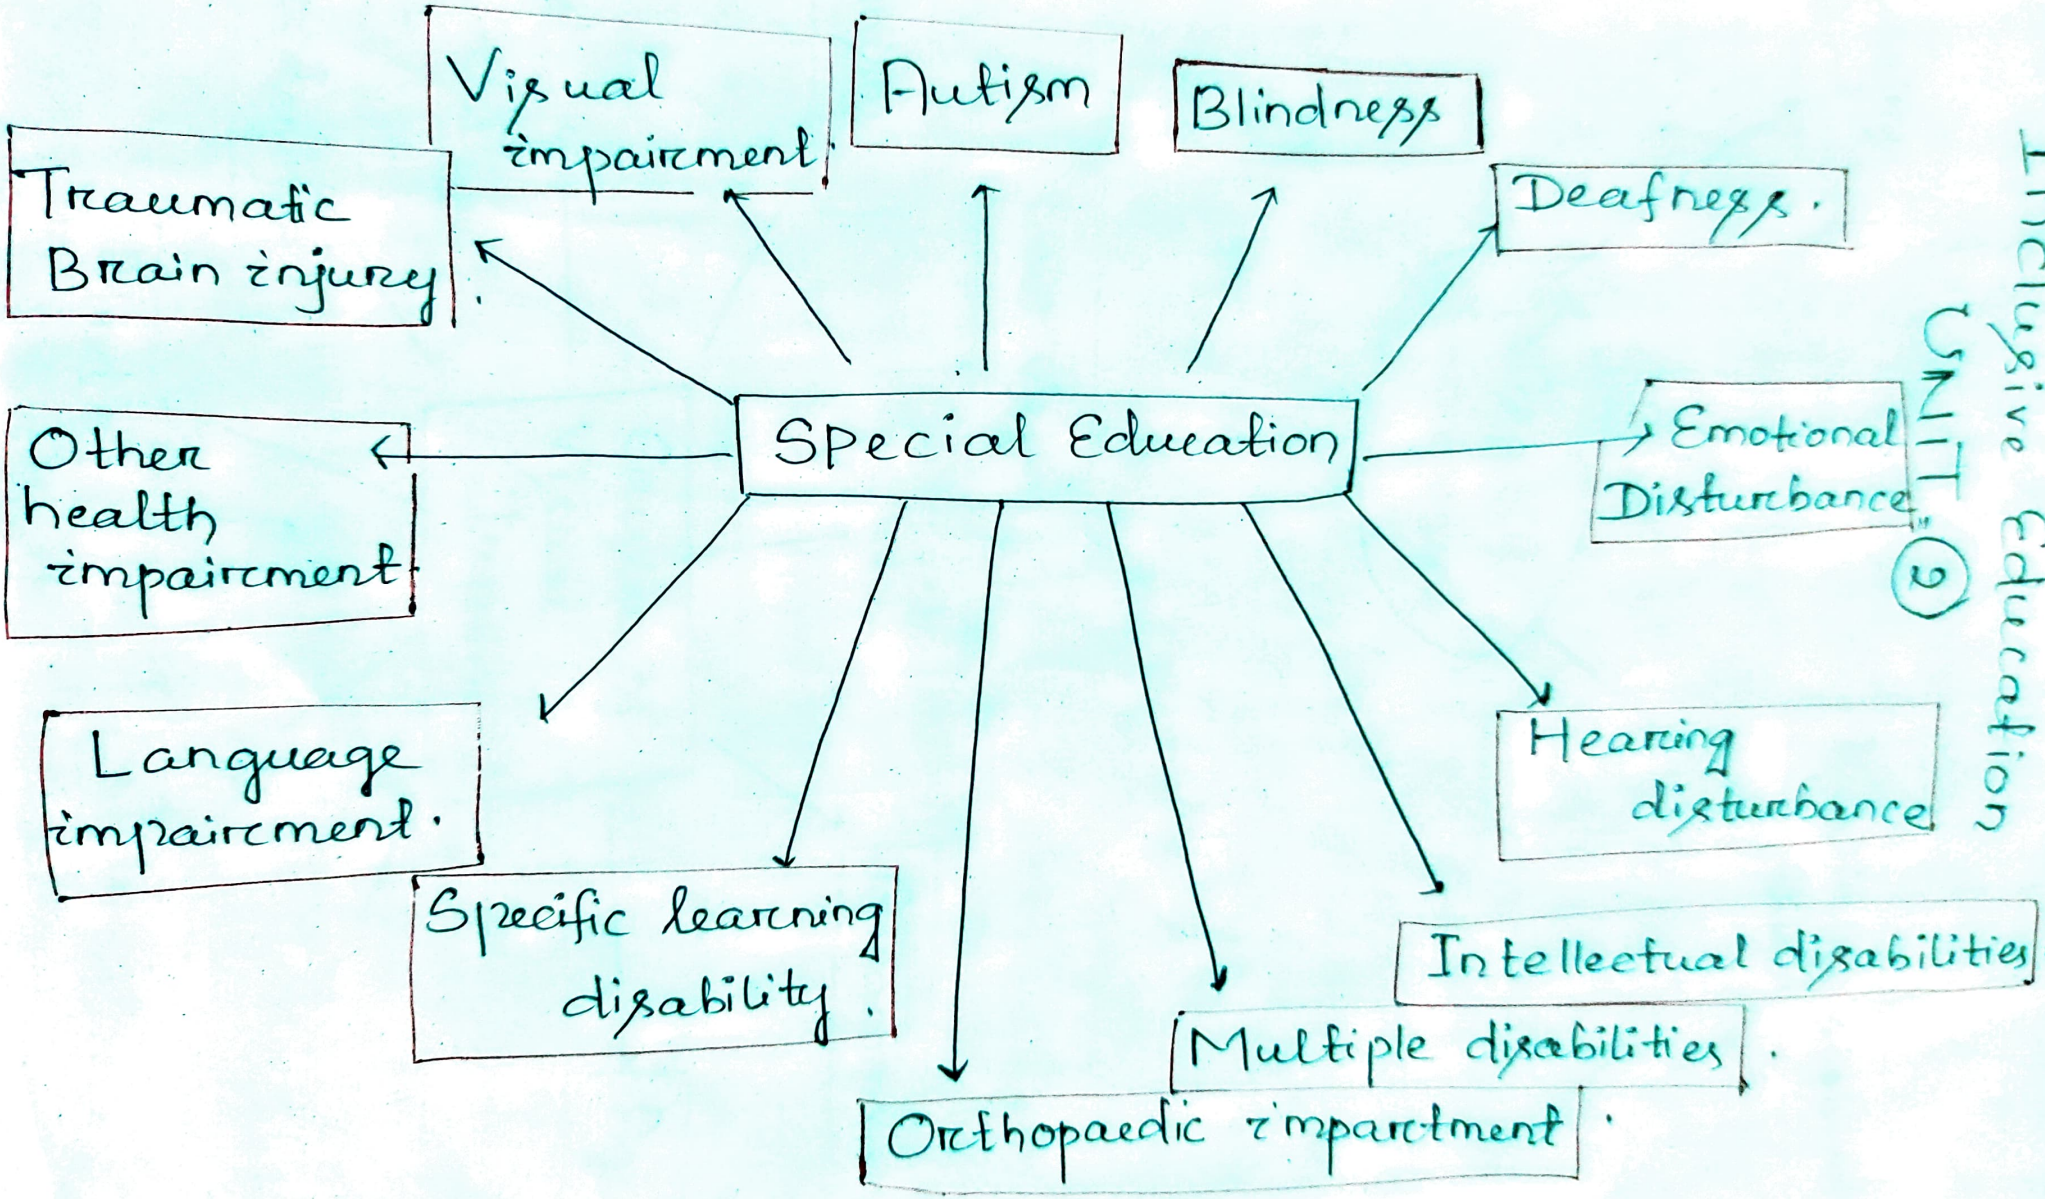




Blindness
Mental illness.
Low vision
Disability of Medical authority
Leprosy
Mental Retardation.
Locomotor disability.
Hearing impairment
Hearing Impairment
Learning Disability
Visual Impairm
Types of Disability
Mental Impairment.
Orthopaedic impairment.

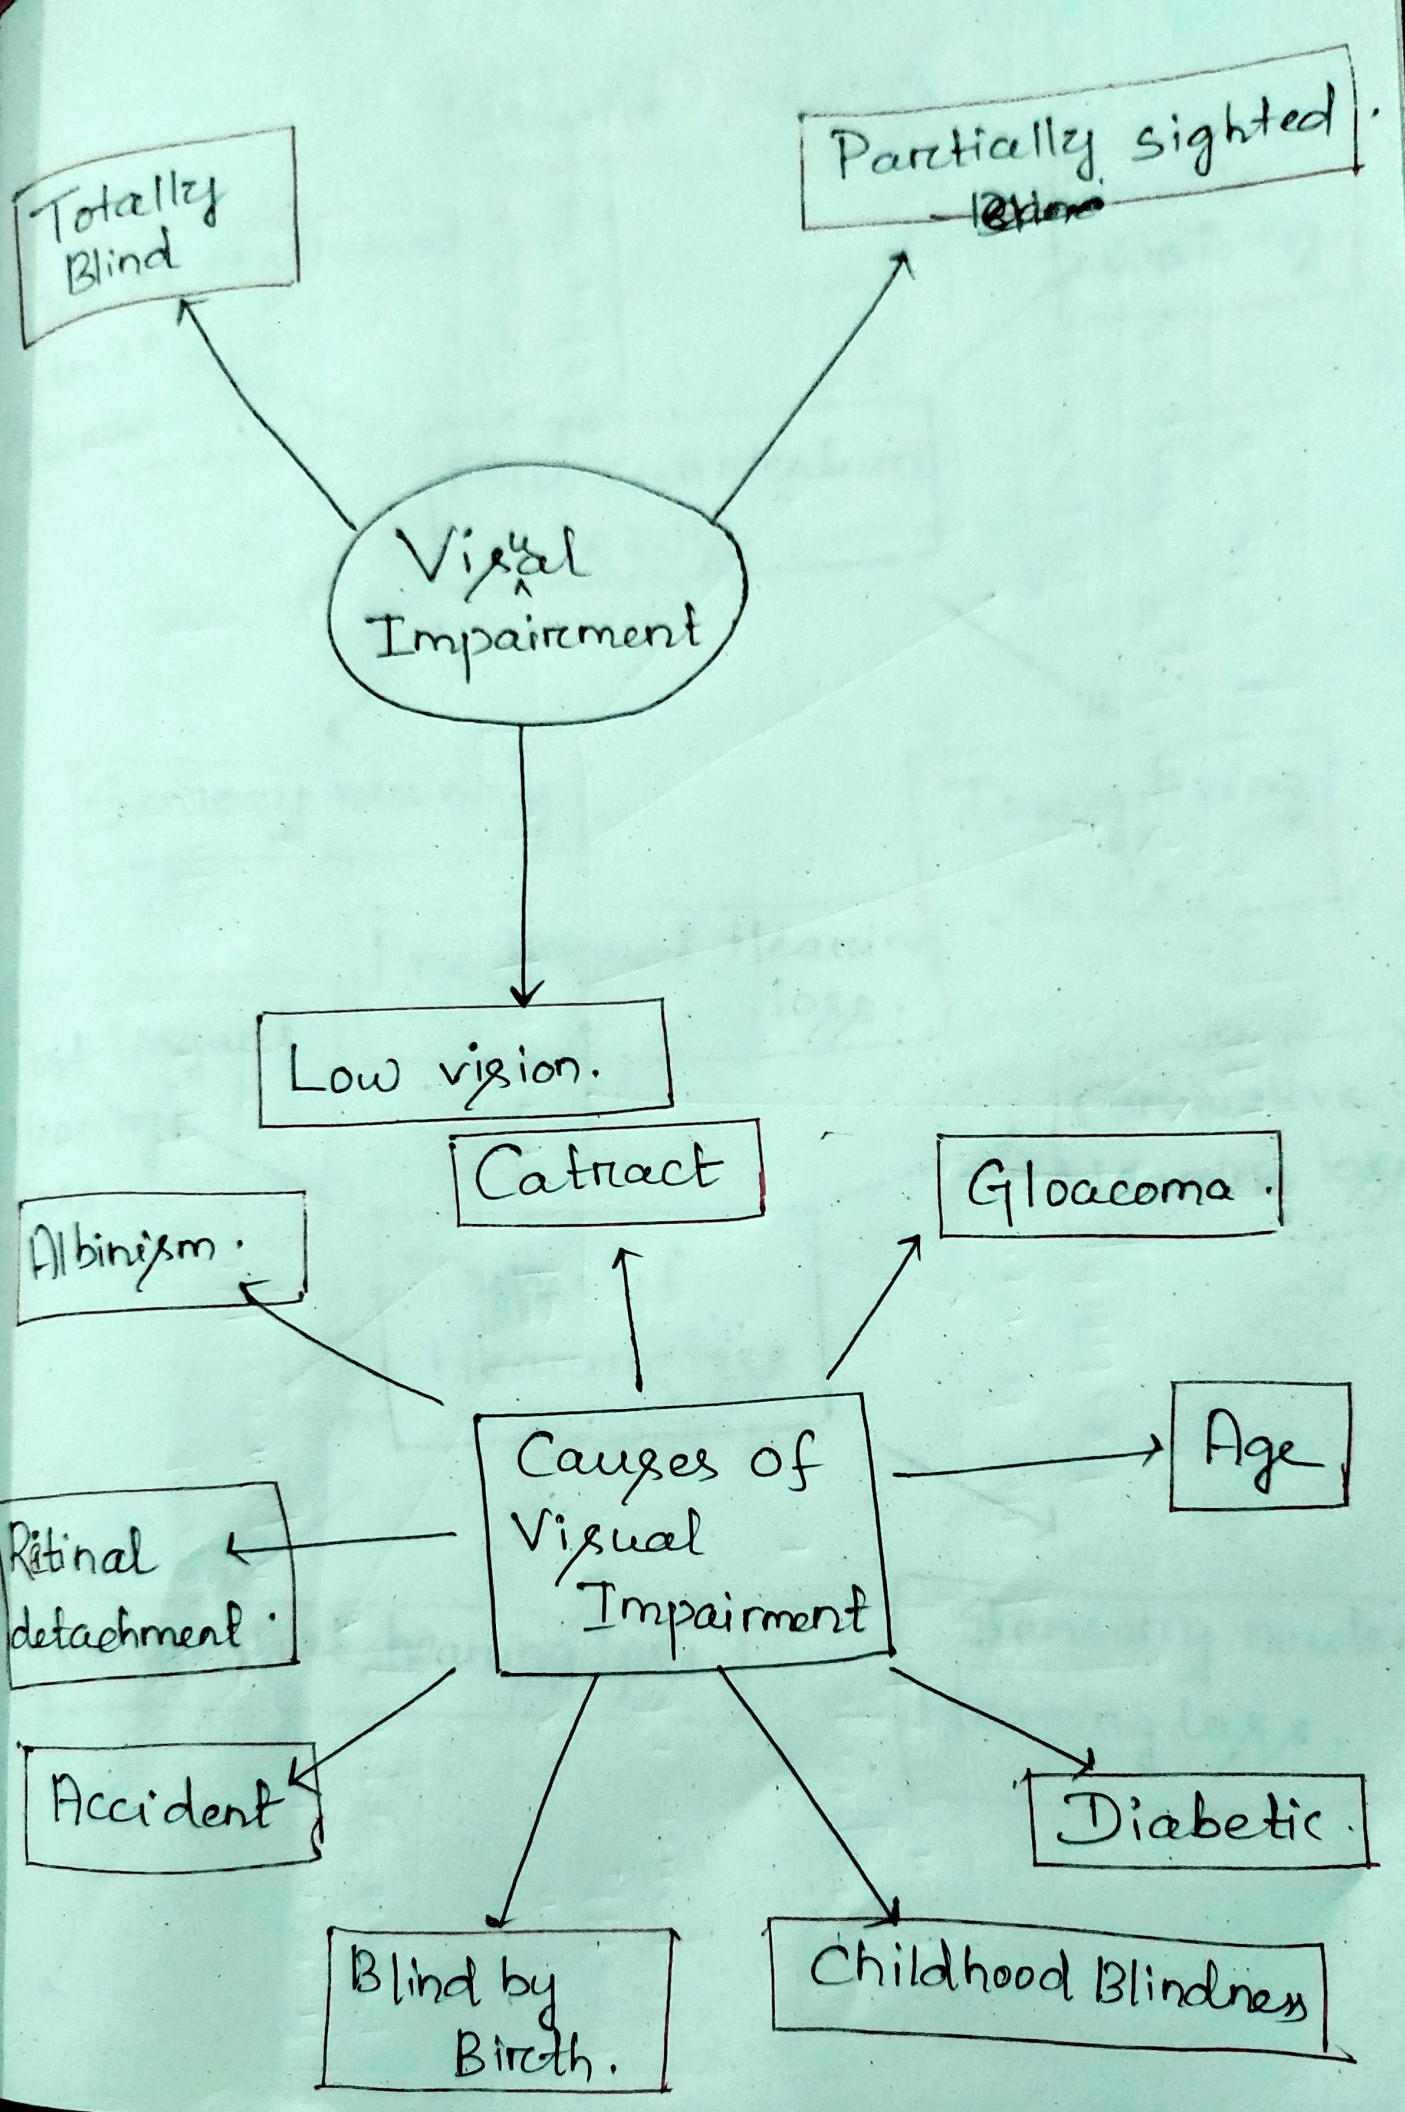


Inclusion
Normalization
Integrated Education
Mainstreaming
Deinstitutionalization
Integrated Education.
Types of Mainstreaming
Inclusive Education.
Exclusive Education.

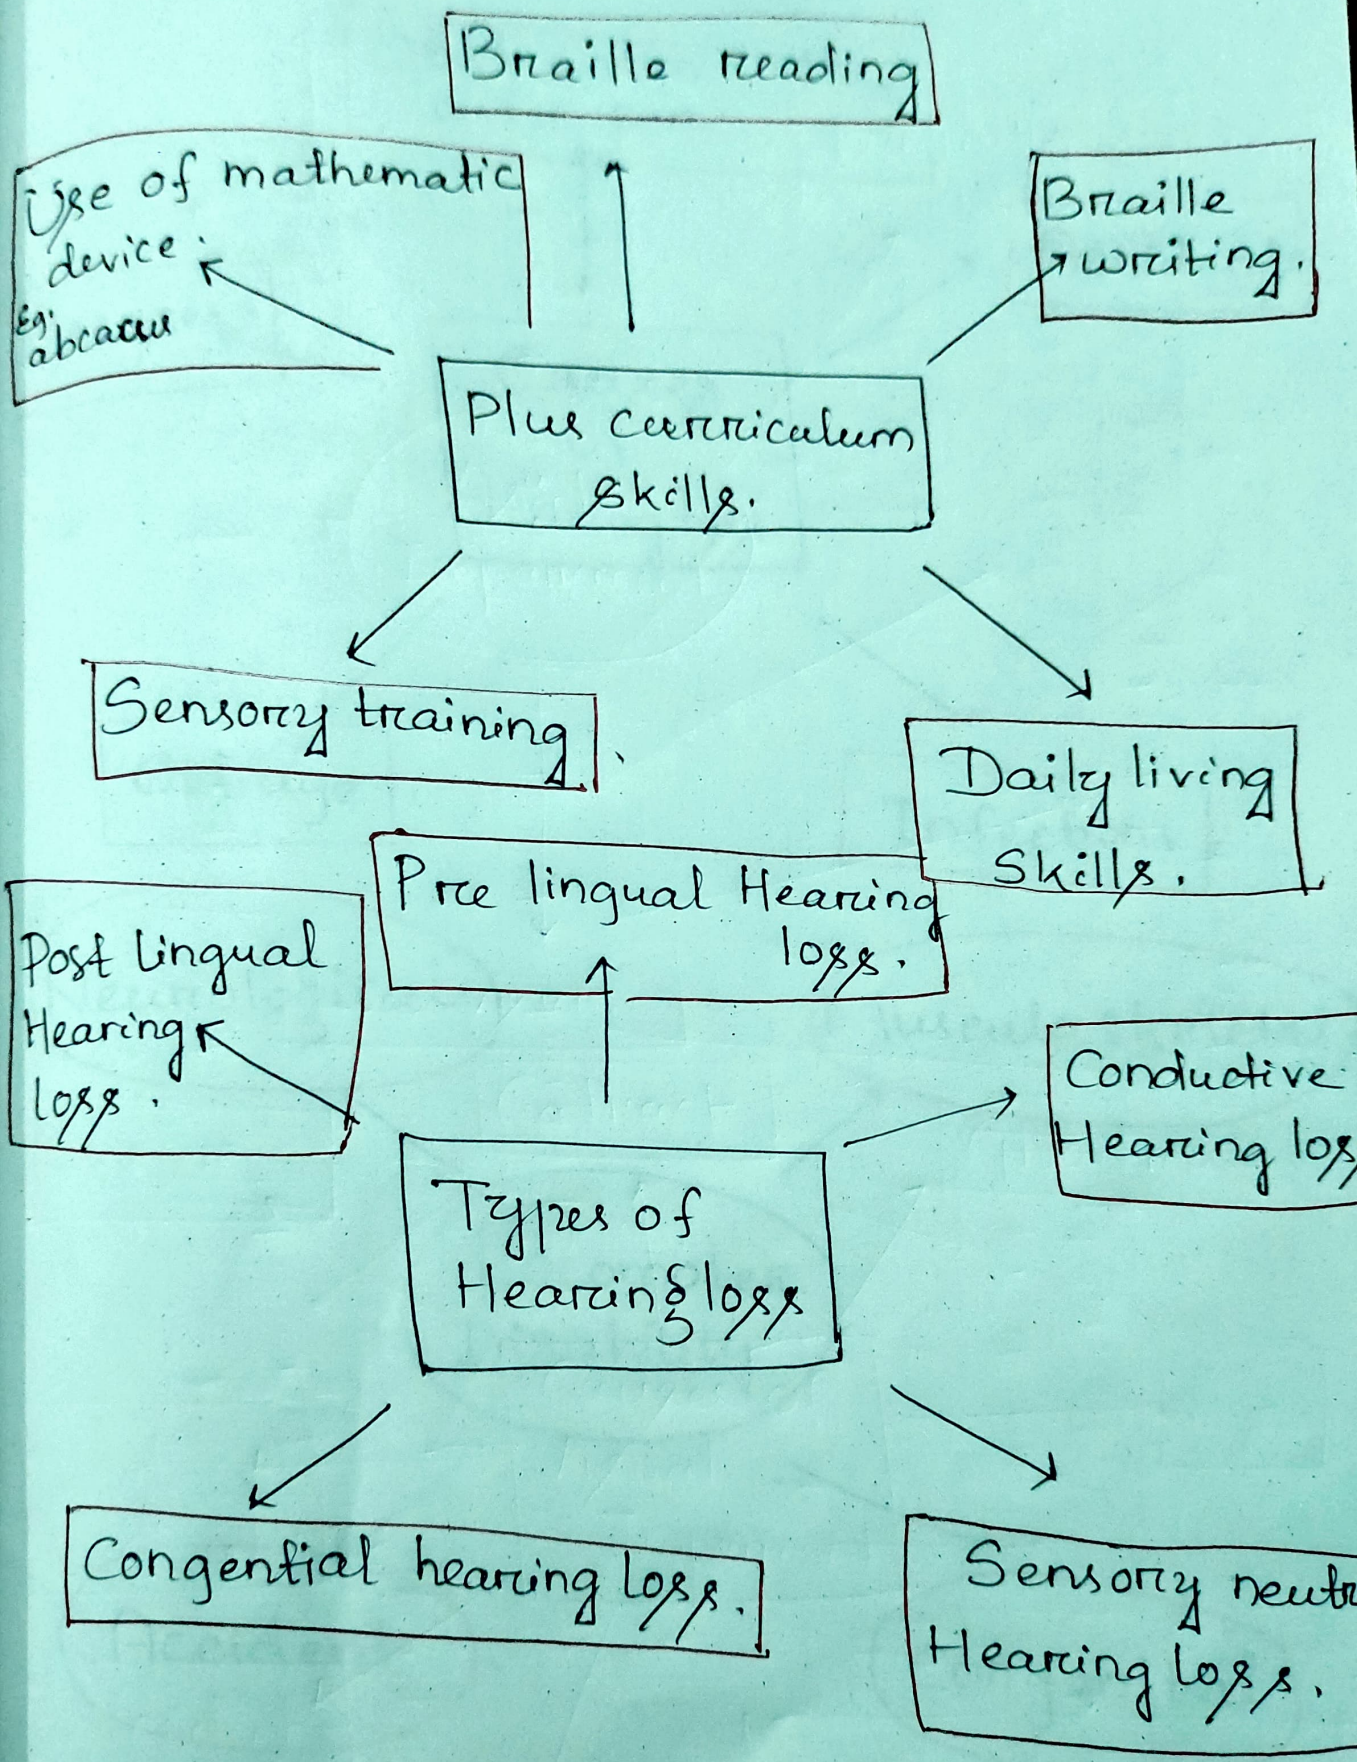


Inclusive Education

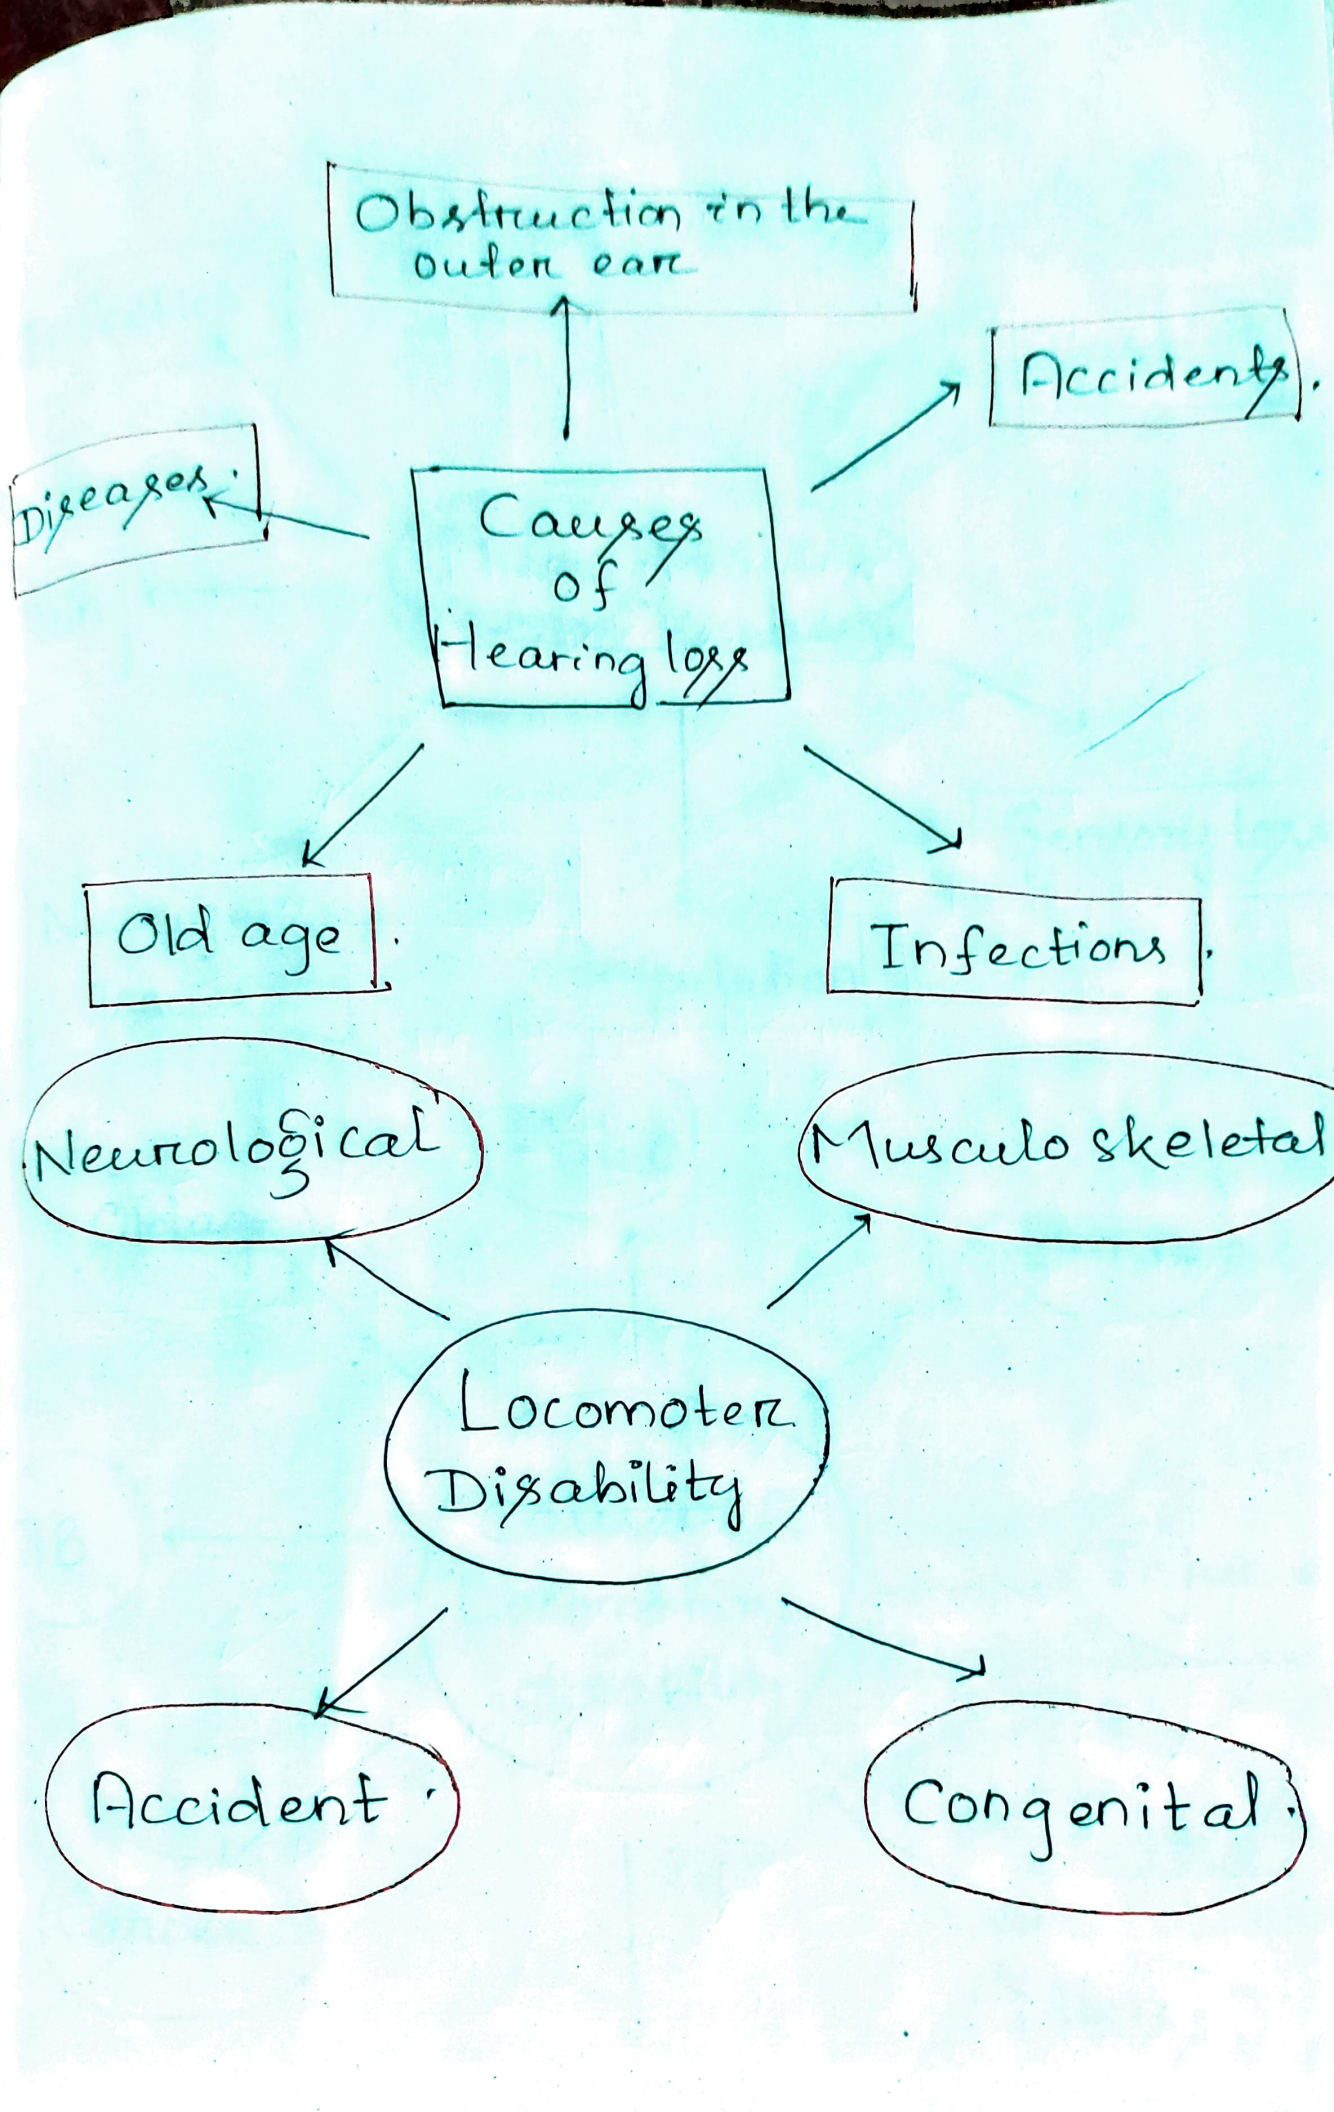
UNIT - 2



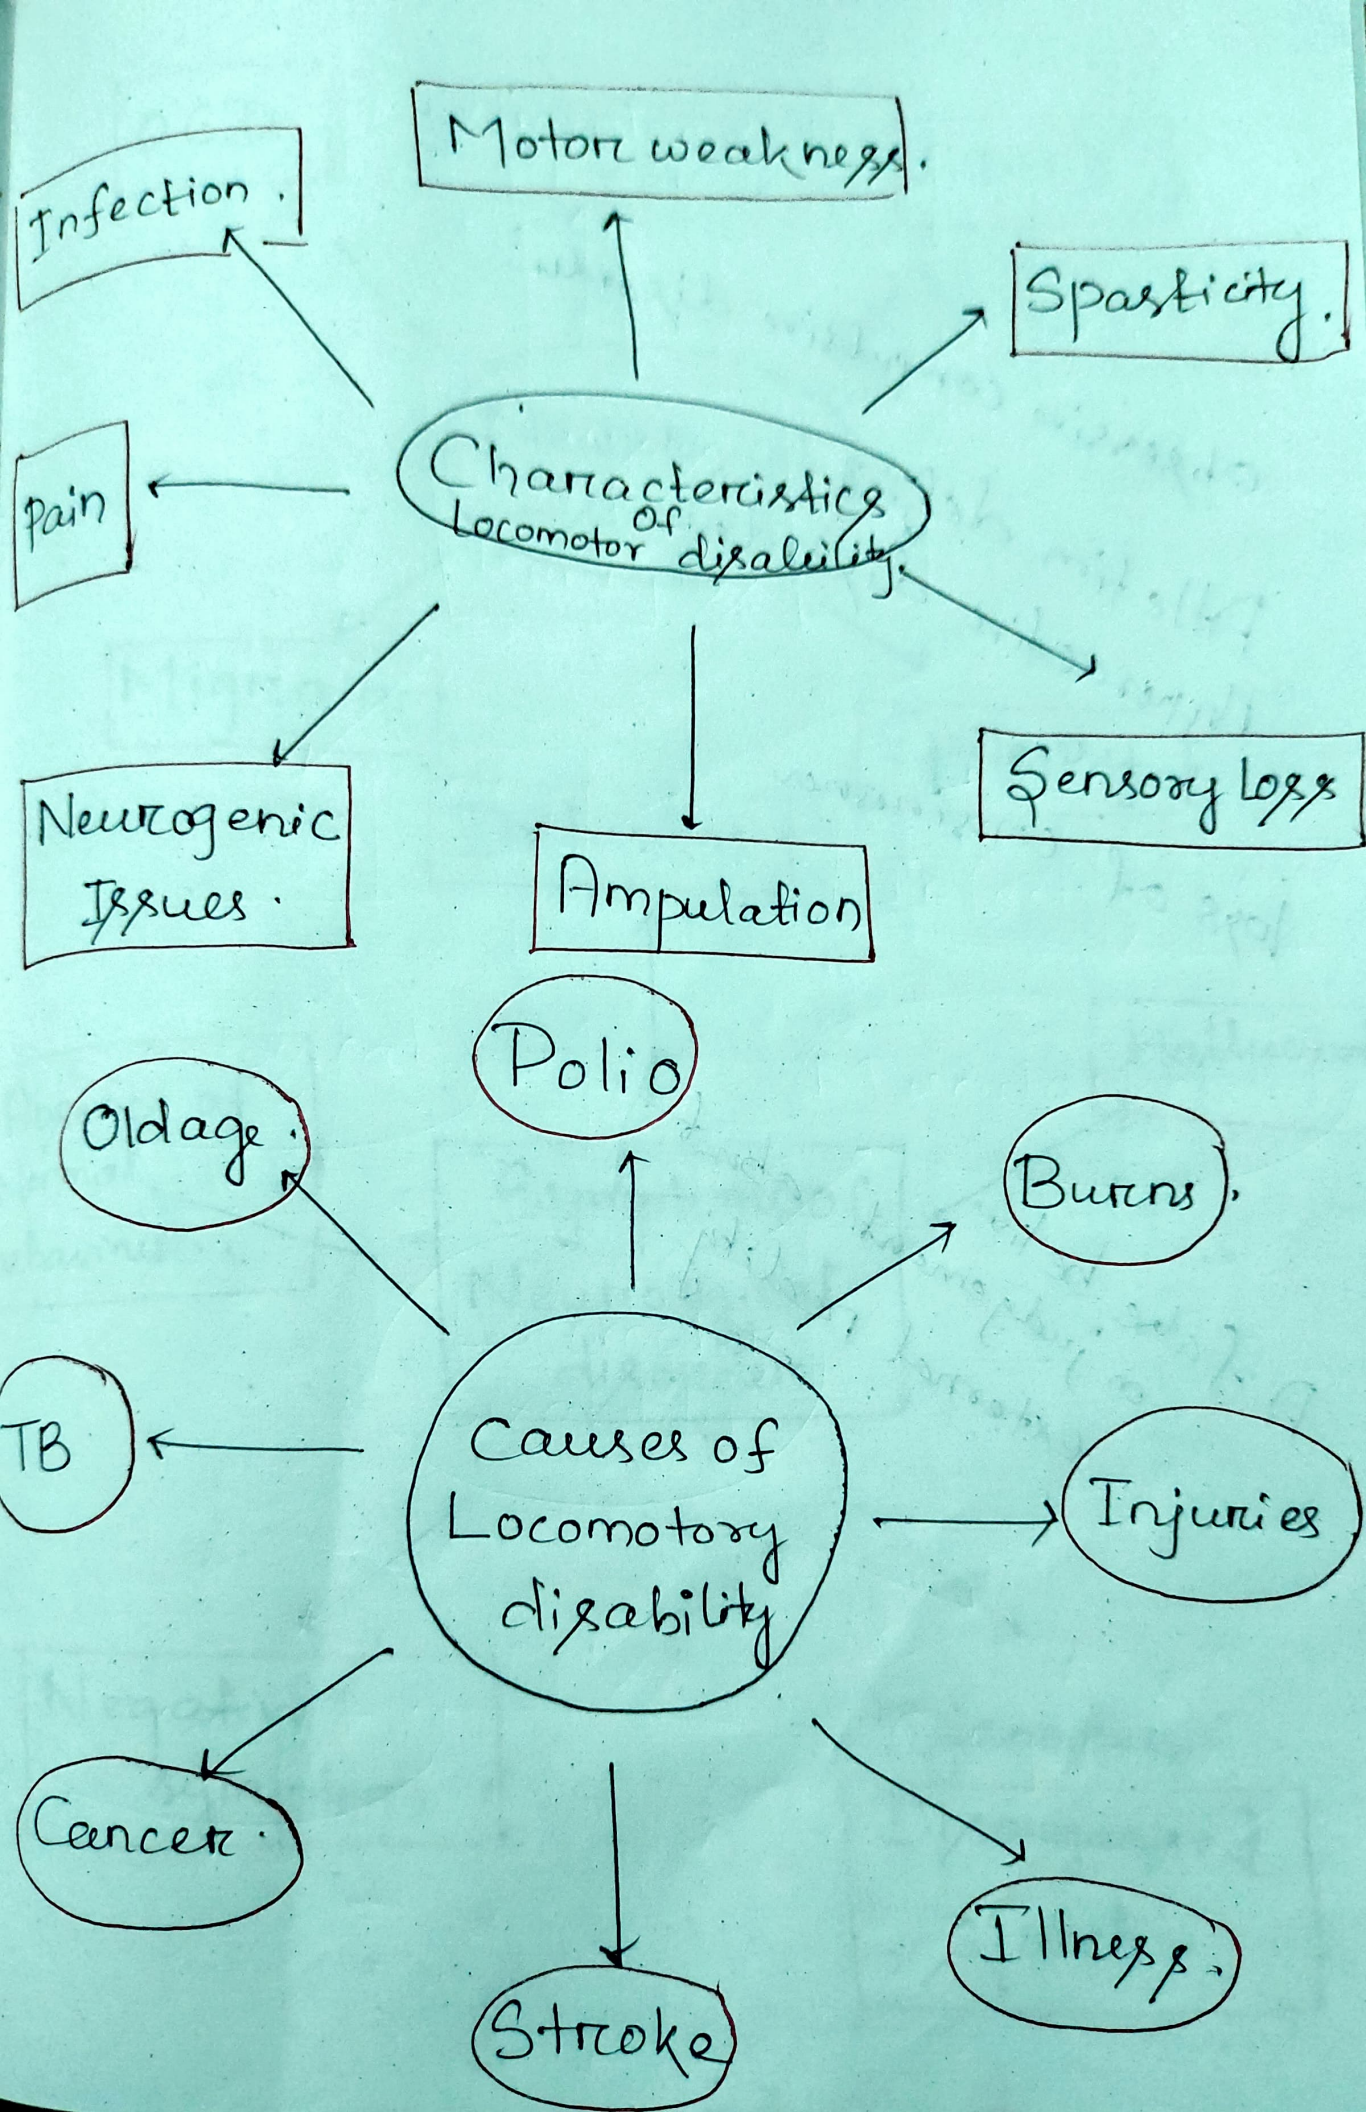
Totally Blind
Partially sighted.
Visual Impairment
Low vision.
Cataract
Albinism.
Gloacoma.
Causes of Visual Impairment
Age
Ritinal detachment.
Accident
Diabetic.
Blind by Birth.
Childhood Blindness



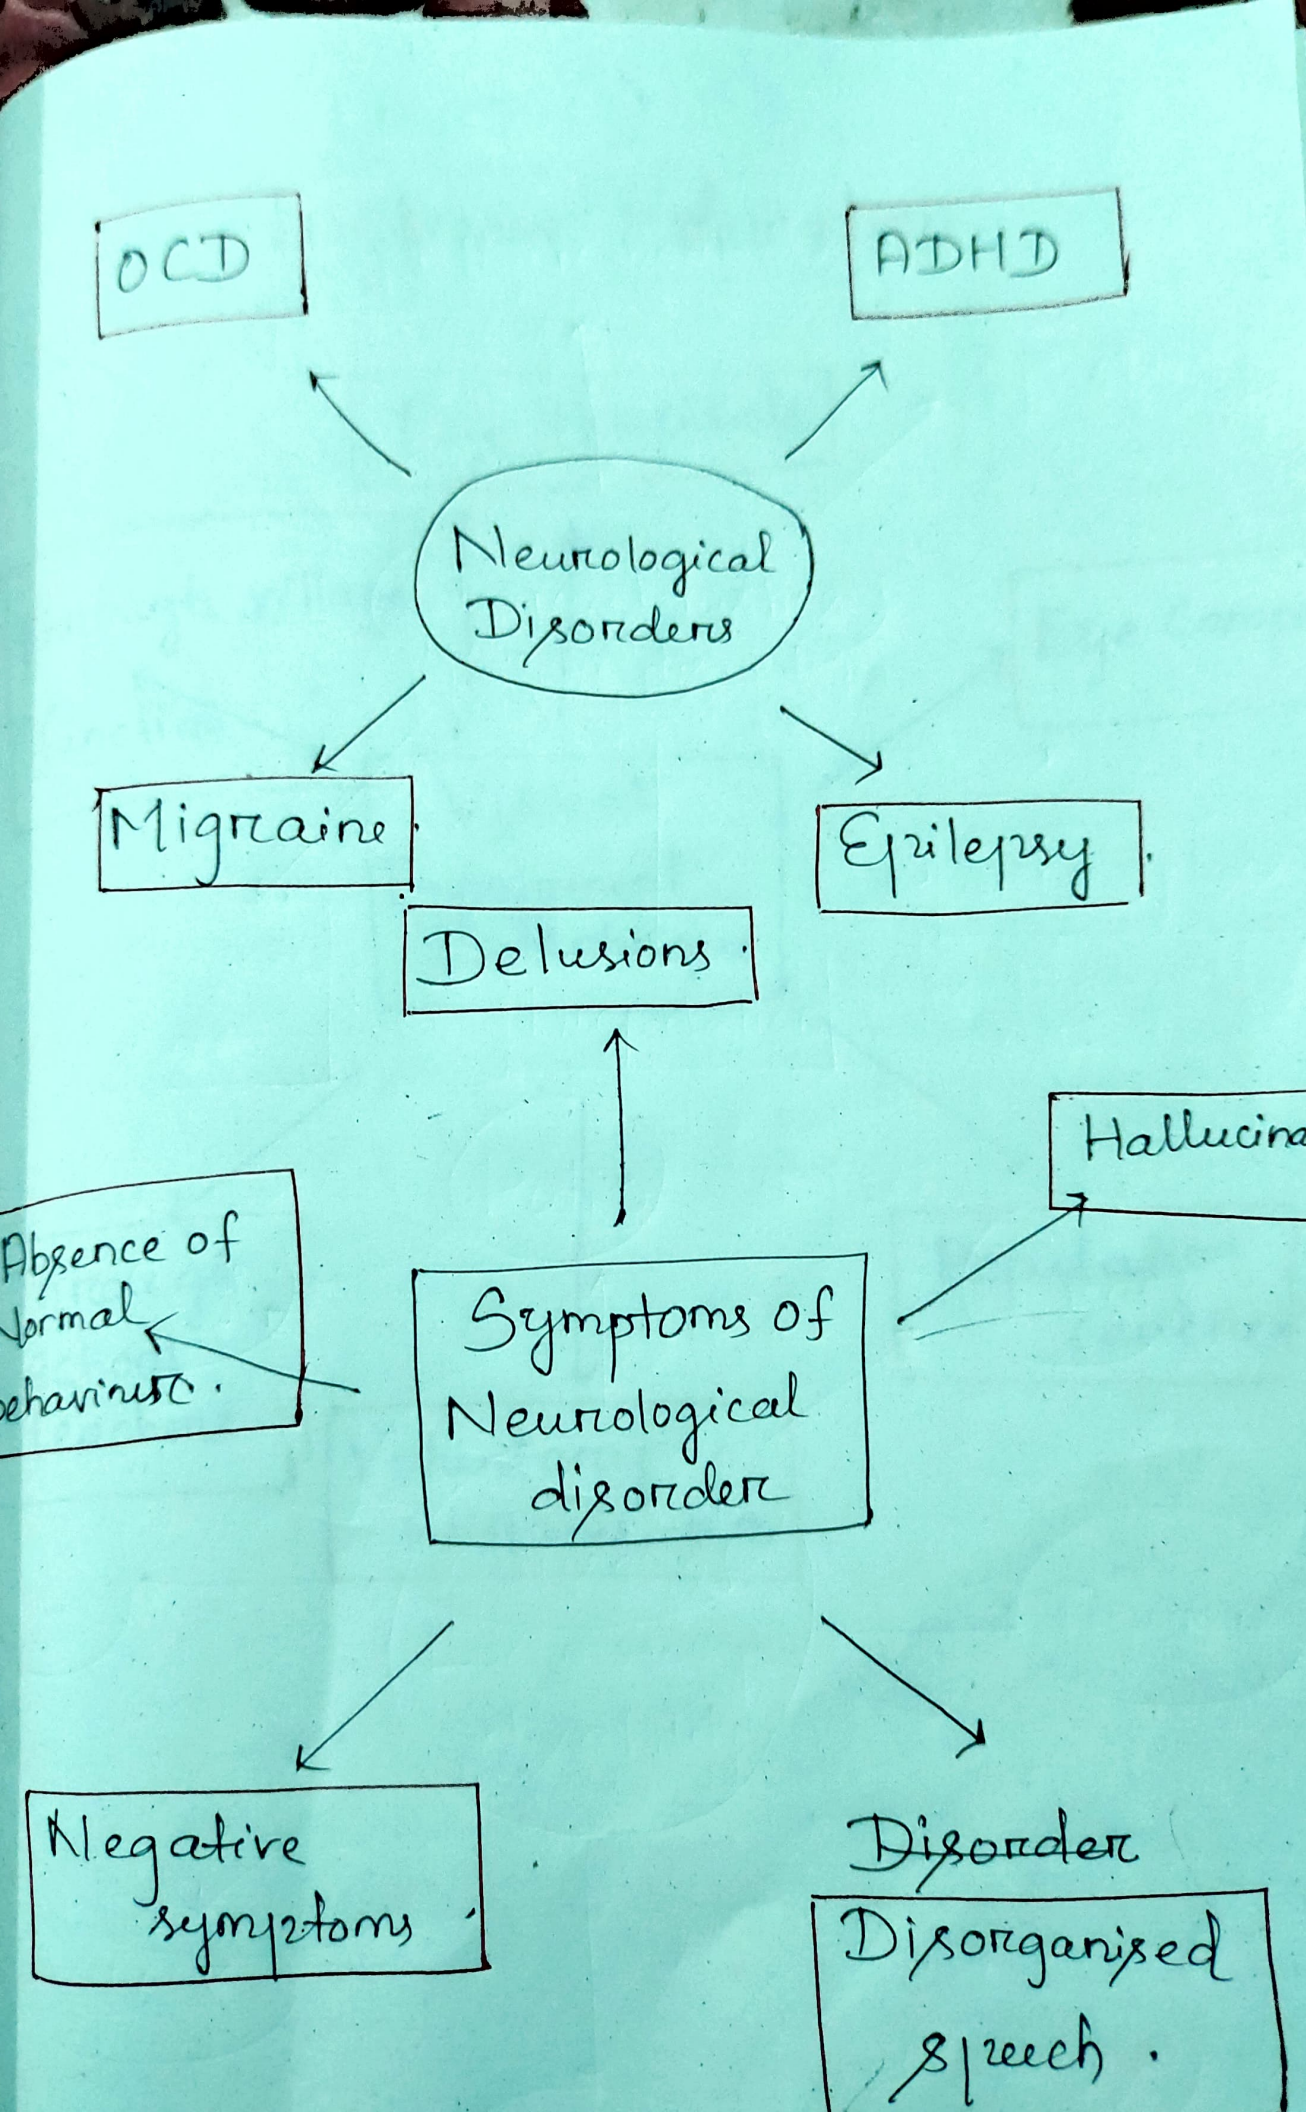
Braille reading
Use of mathematic device eg. abcacus
Braille writing.
Plus curriculum skills.
Sensory training.
Daily living skills.
Pre lingual Hearing loss.
Post Lingual Hearing loss.
Conductive Hearing los
Types of Hearing loss
Congential hearing loss.
Sensory neur
Hearing loss.



Obstruction in the outer ear
Accidents
Diseases
Causes of Hearing loss
Old age
Infections
Neurological
Musculo skeletal
Locomoter Disability
Accident
Congenital



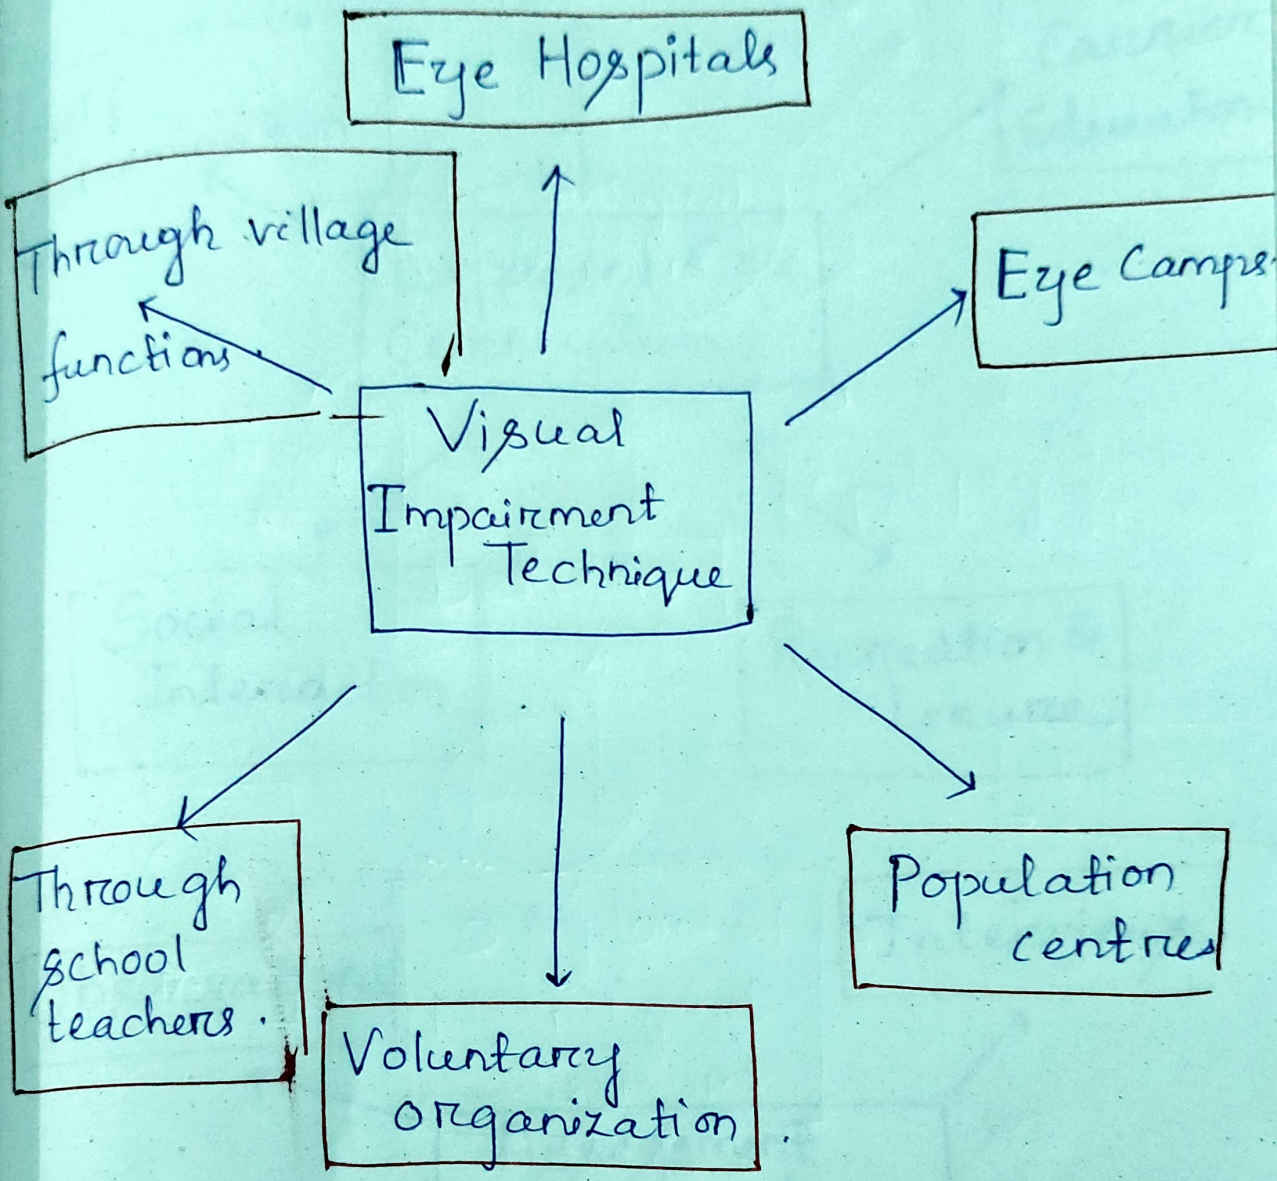
Motor weakness.
Infection.
Spasticity.
Characteristics of Locomotor disability.
Pain
Neurogenic Issues.
Ampulation
Sensory loss
Polio
Oldage.
Burns.
TB
Causes of Locomotory disability
Injuries
Cancer.
Stroke
Illness.

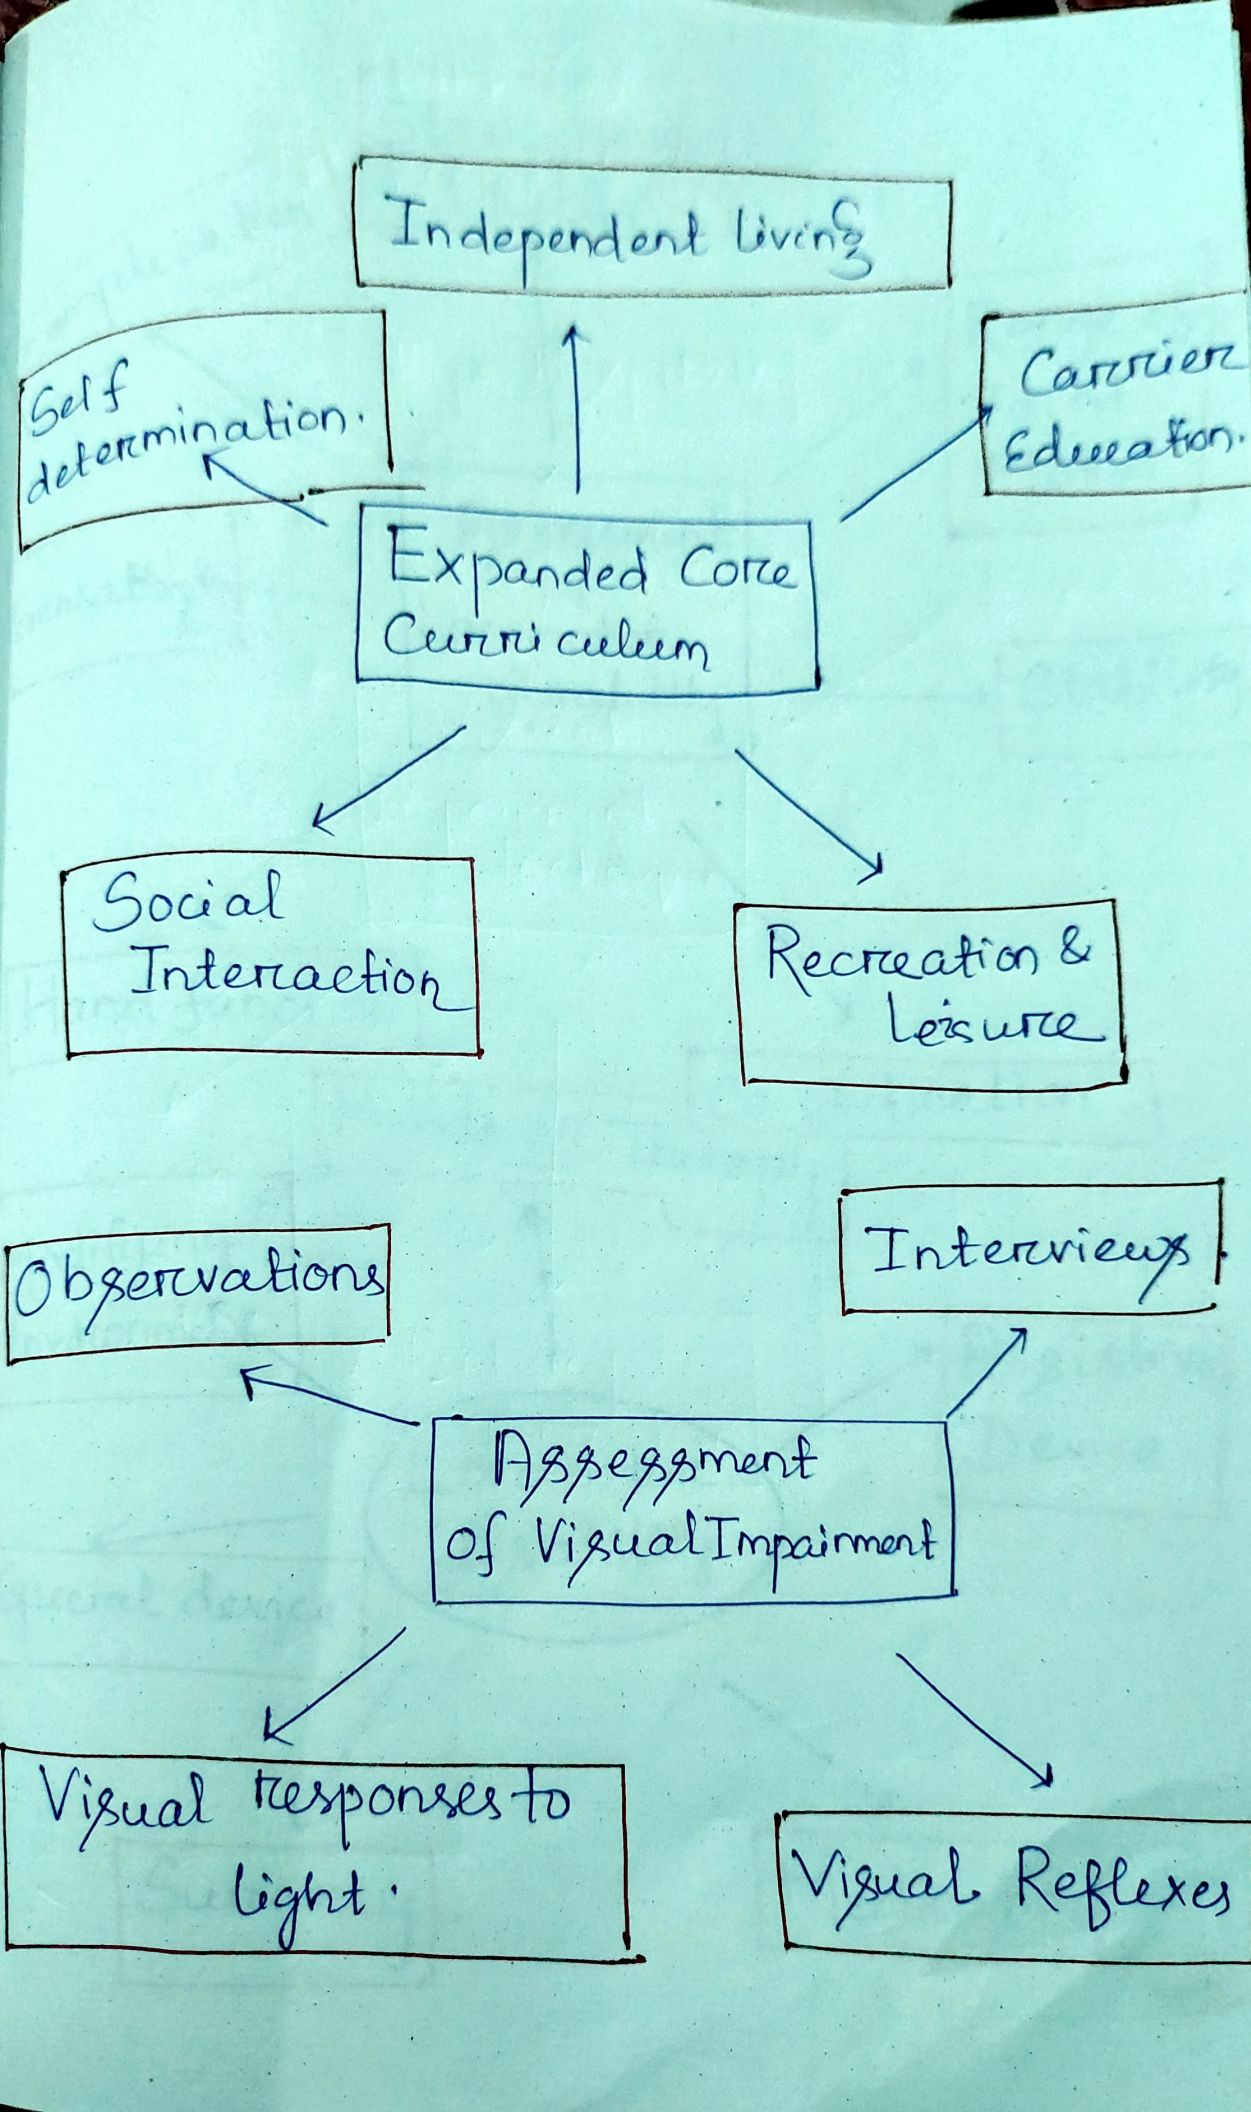


OCD
ADHD
Neurological Disorders
Migraine
Epilepsy
Delusions
Hallucina
Absence of normal behaviour
Symptoms of Neurological disorder
Negative symptoms
Disorder
Disorganised speech

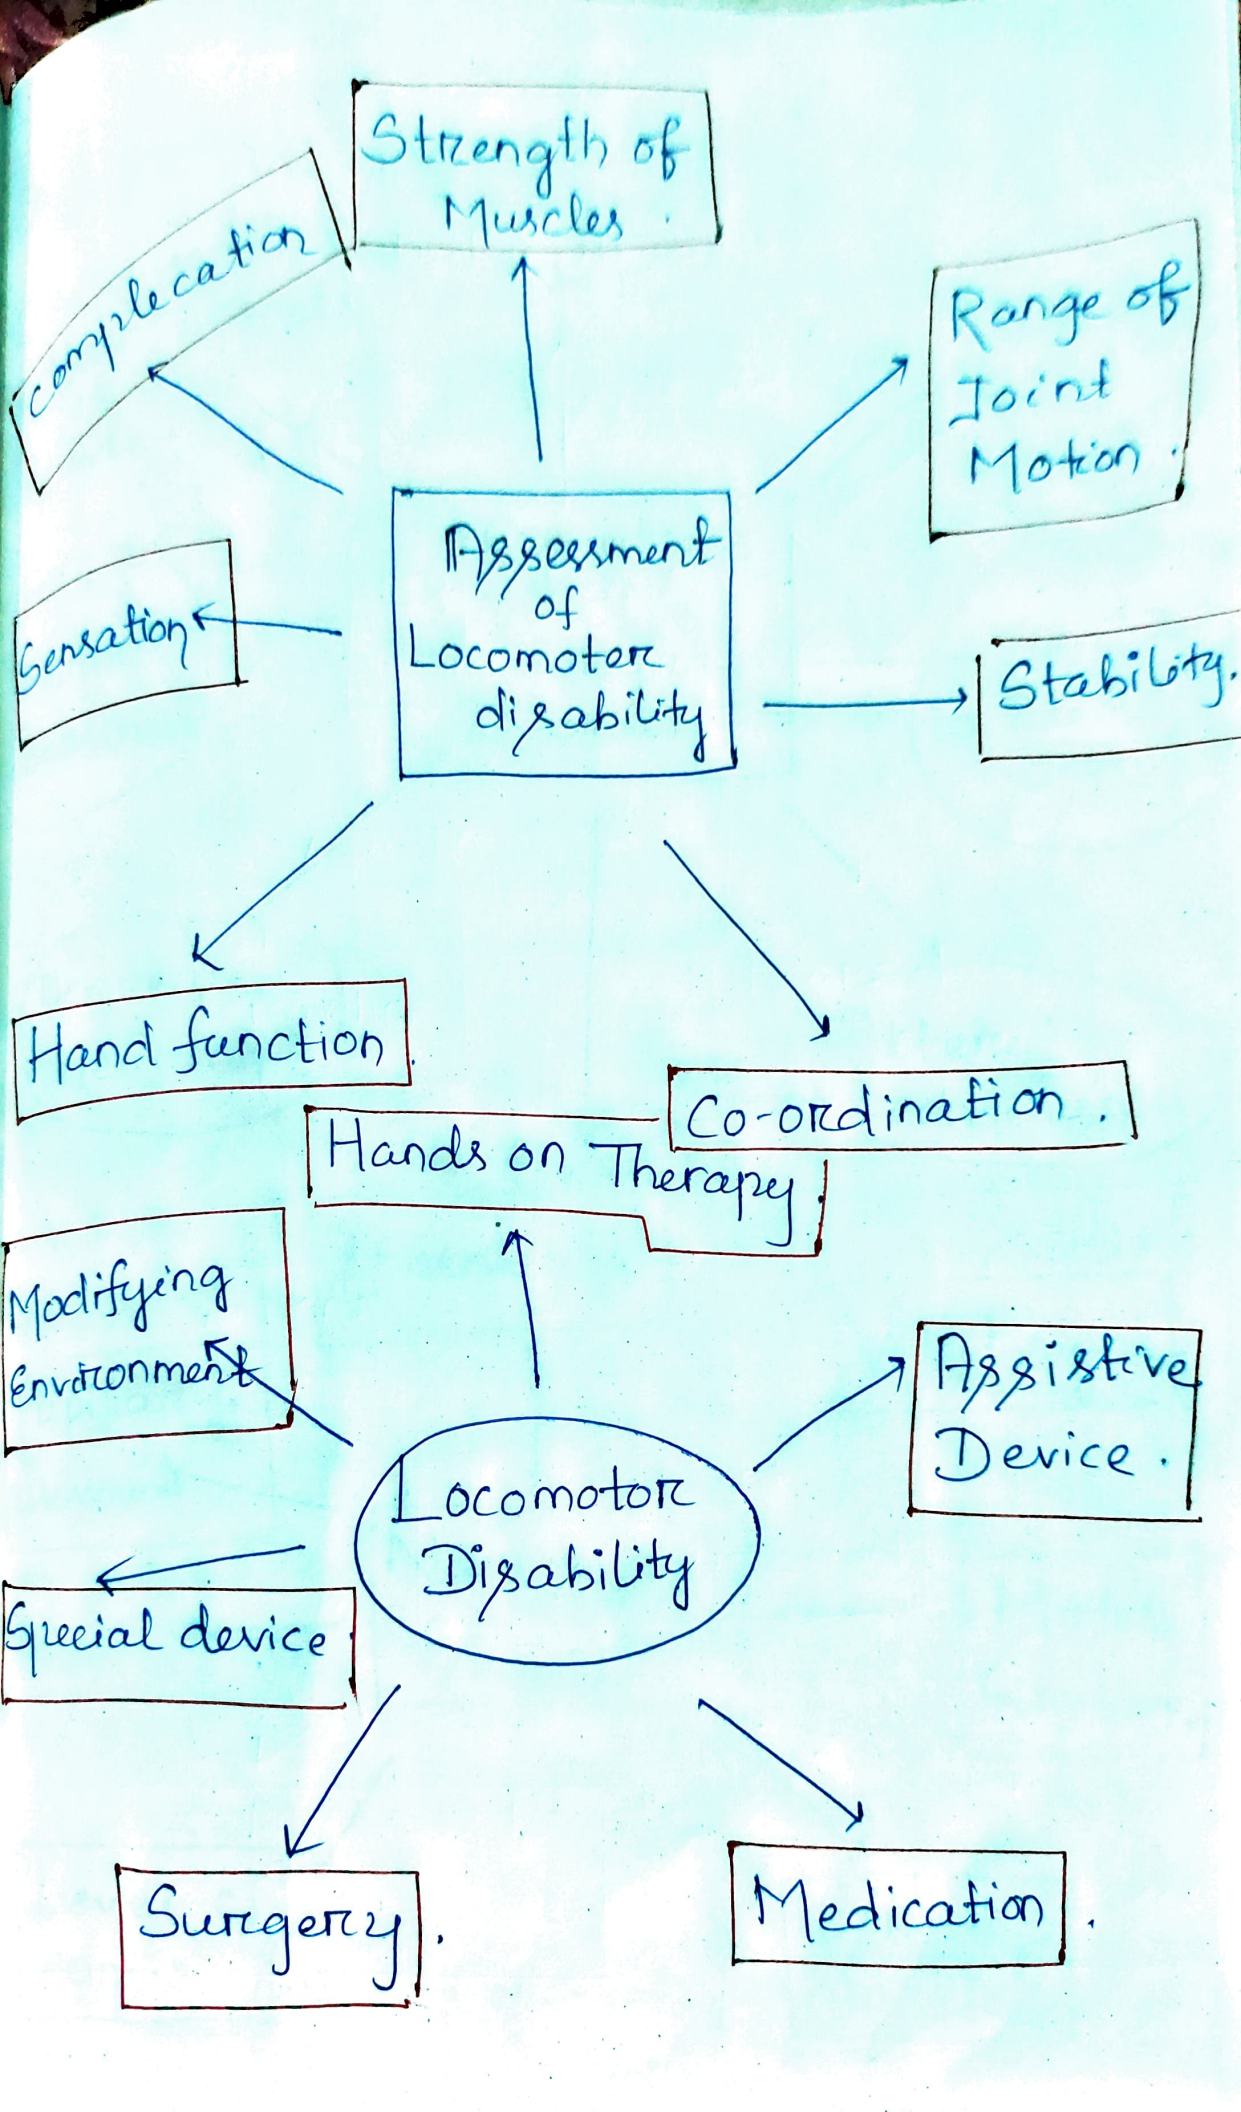
UNIT : (3)

Inclusive Education.

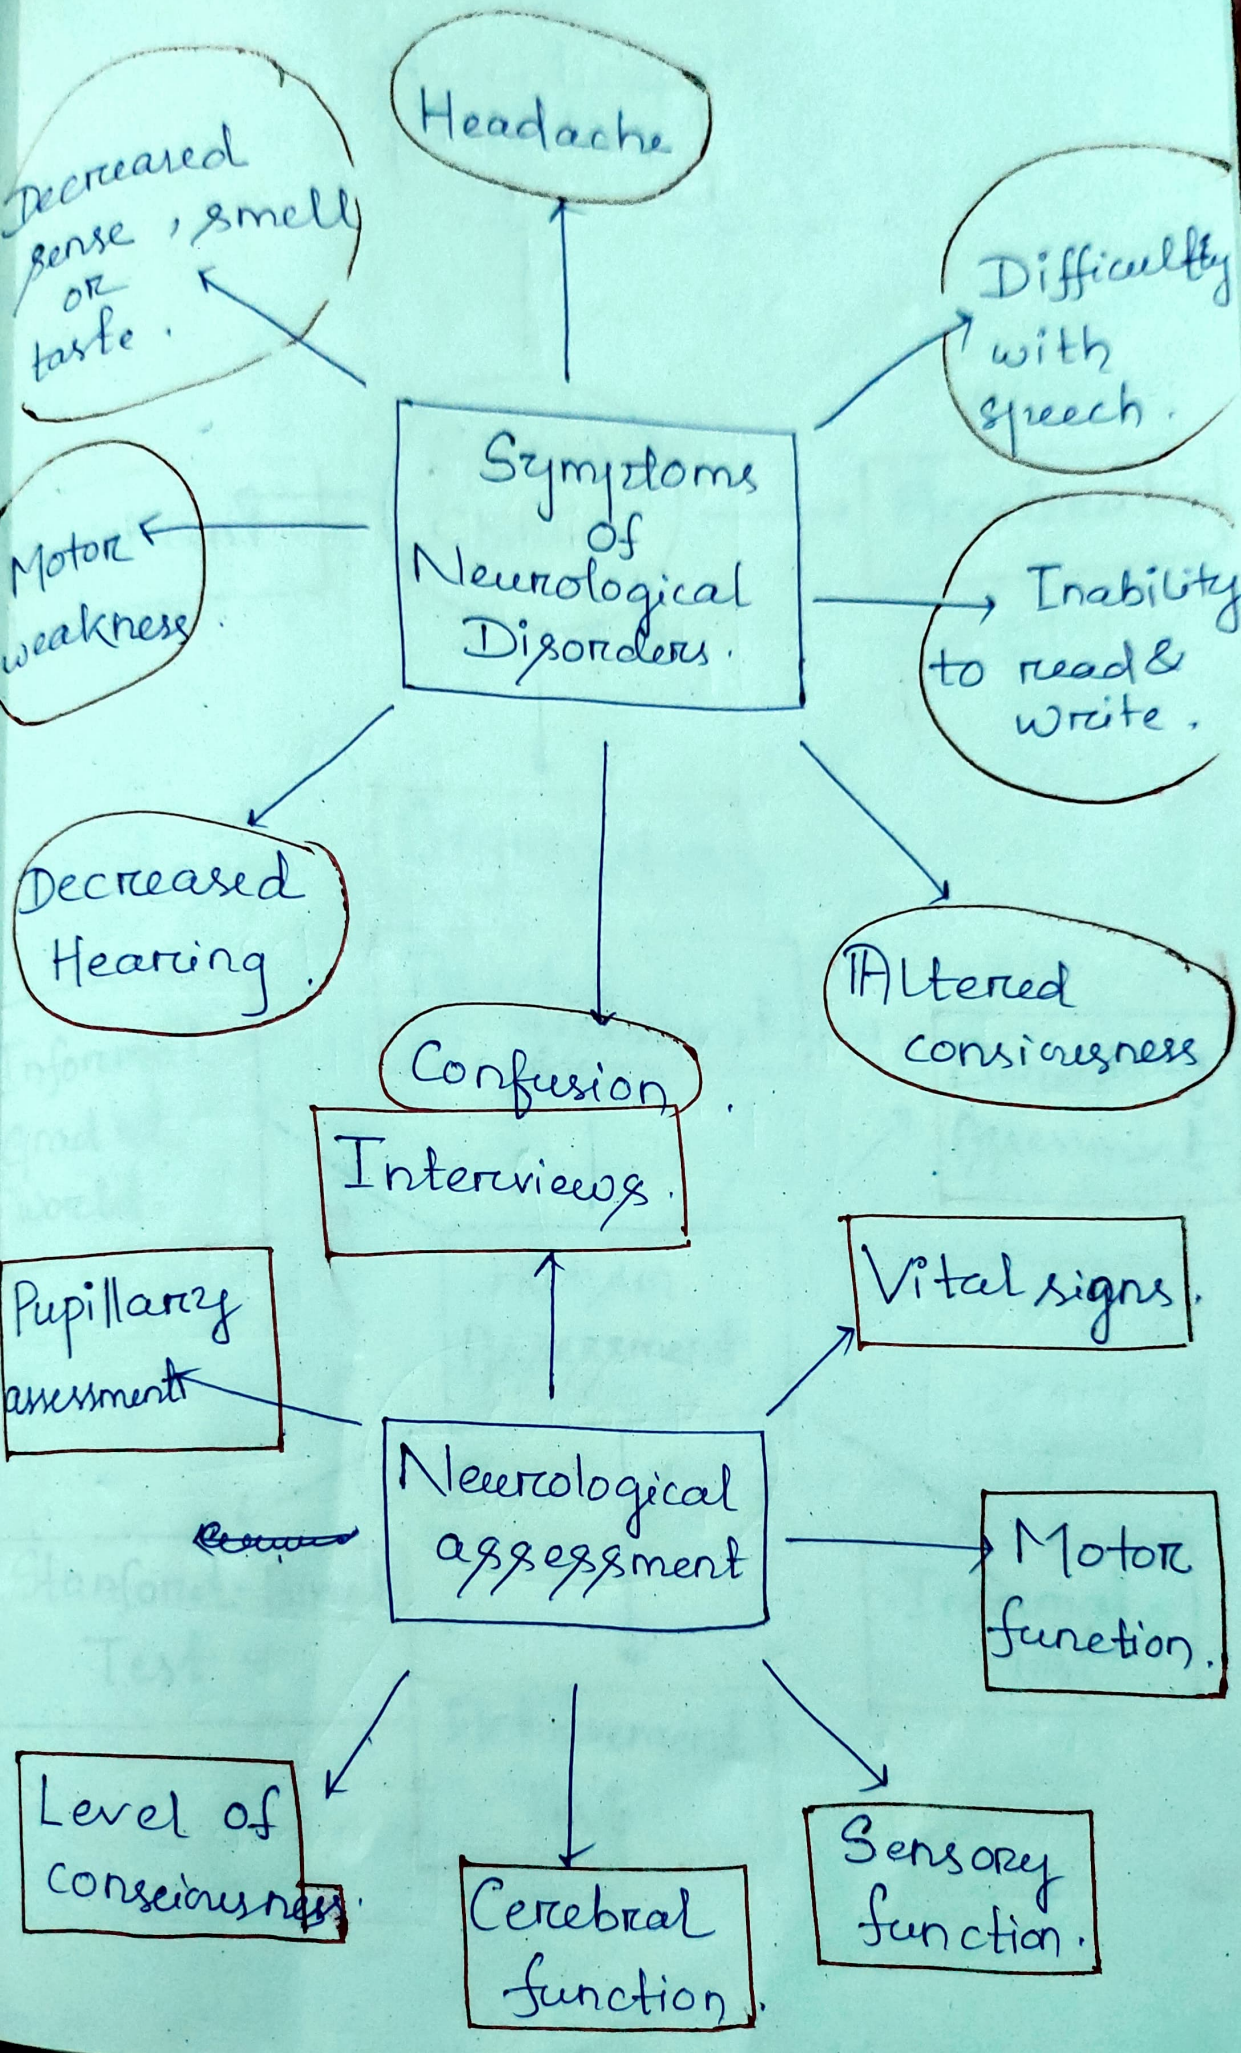




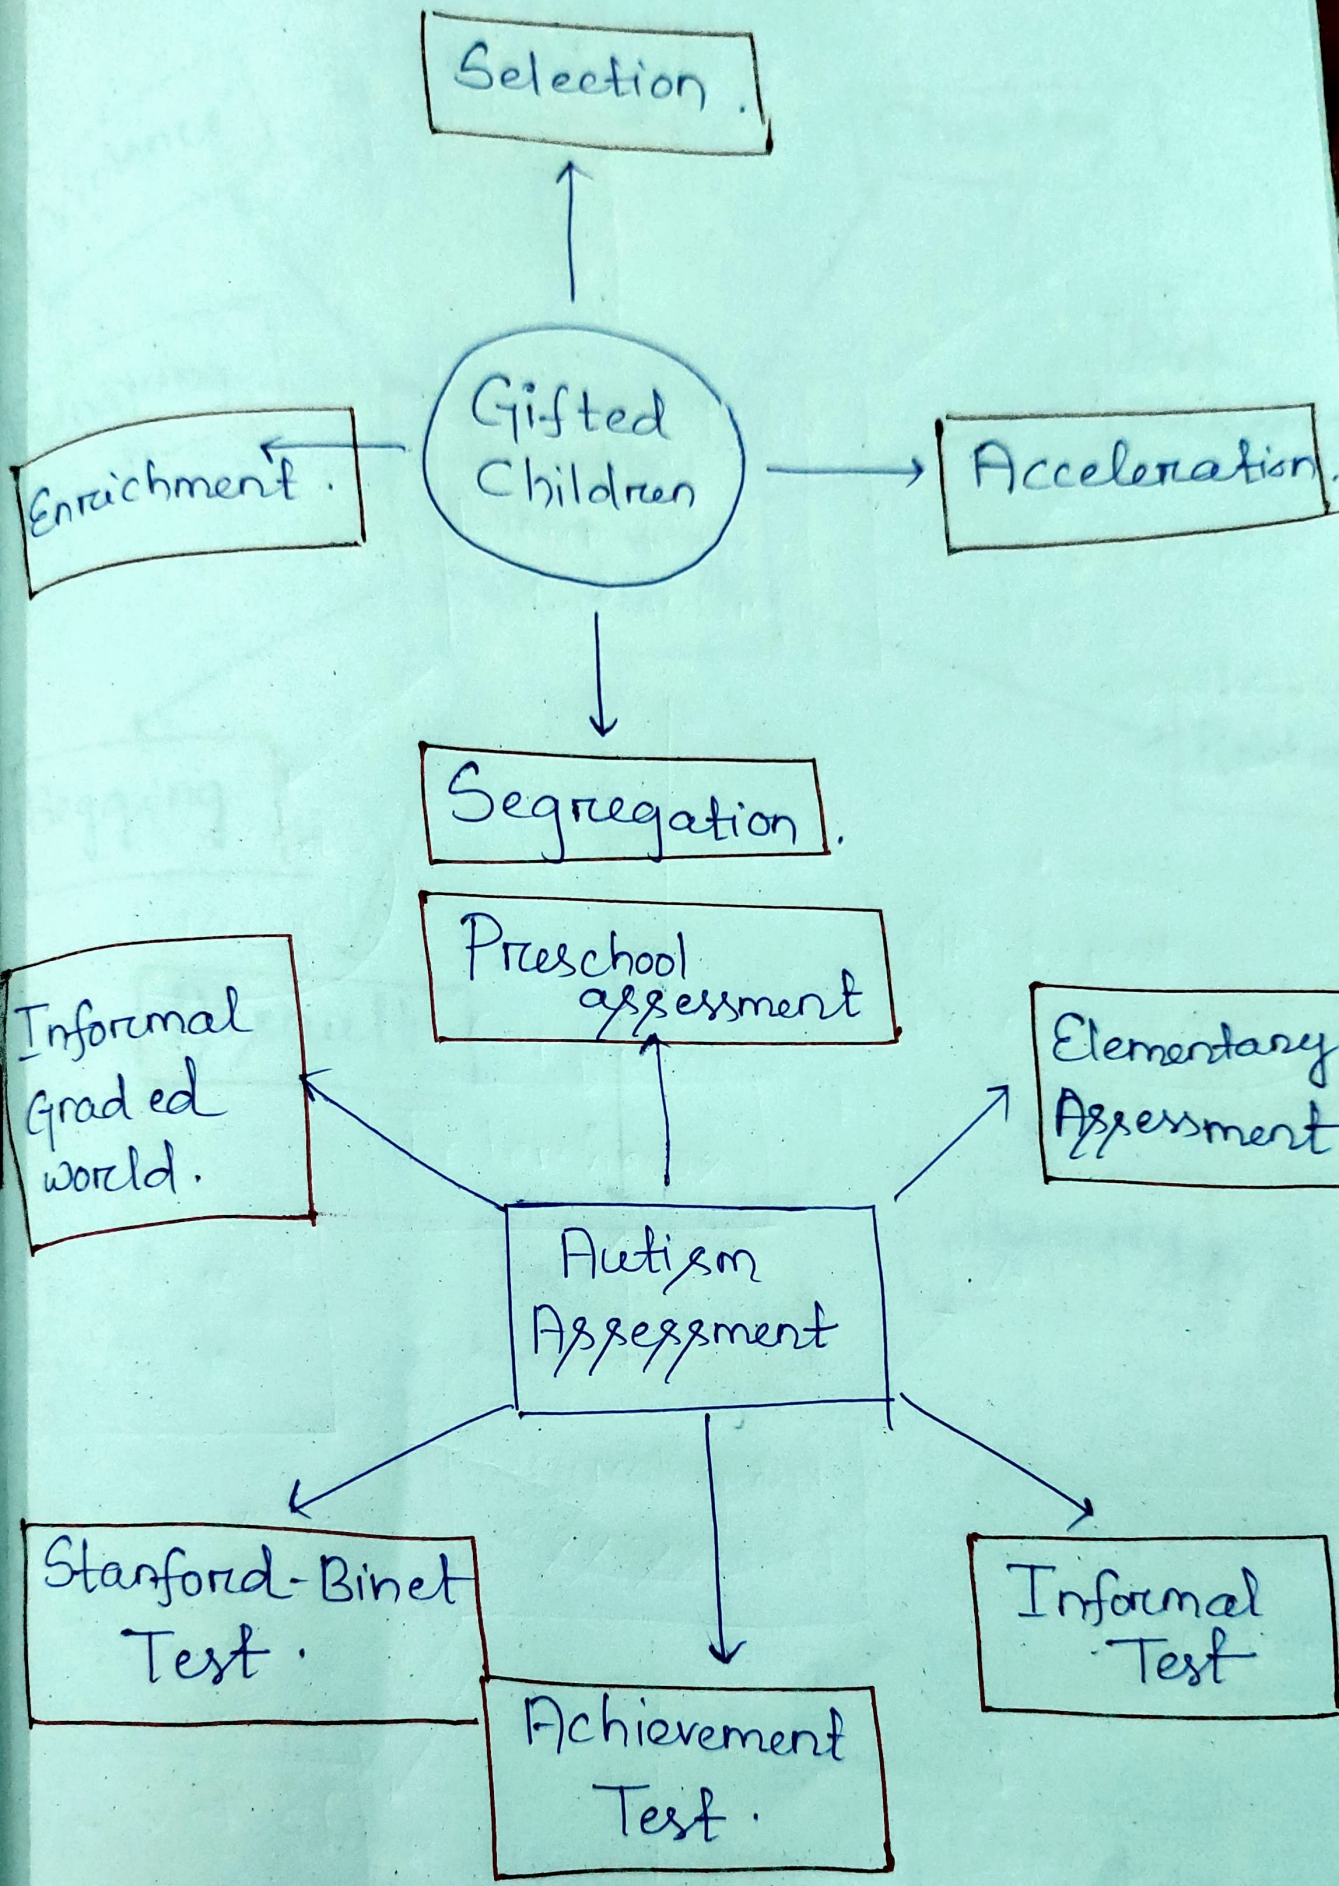
Independent living
Self determination.
Carrier Education.
Expanded Core Curriculum
Social Interaction
Recreation & leisure
Observations
Interviews
Assessment of Visual Impairment
Visual responses to light.
Visual Reflexes



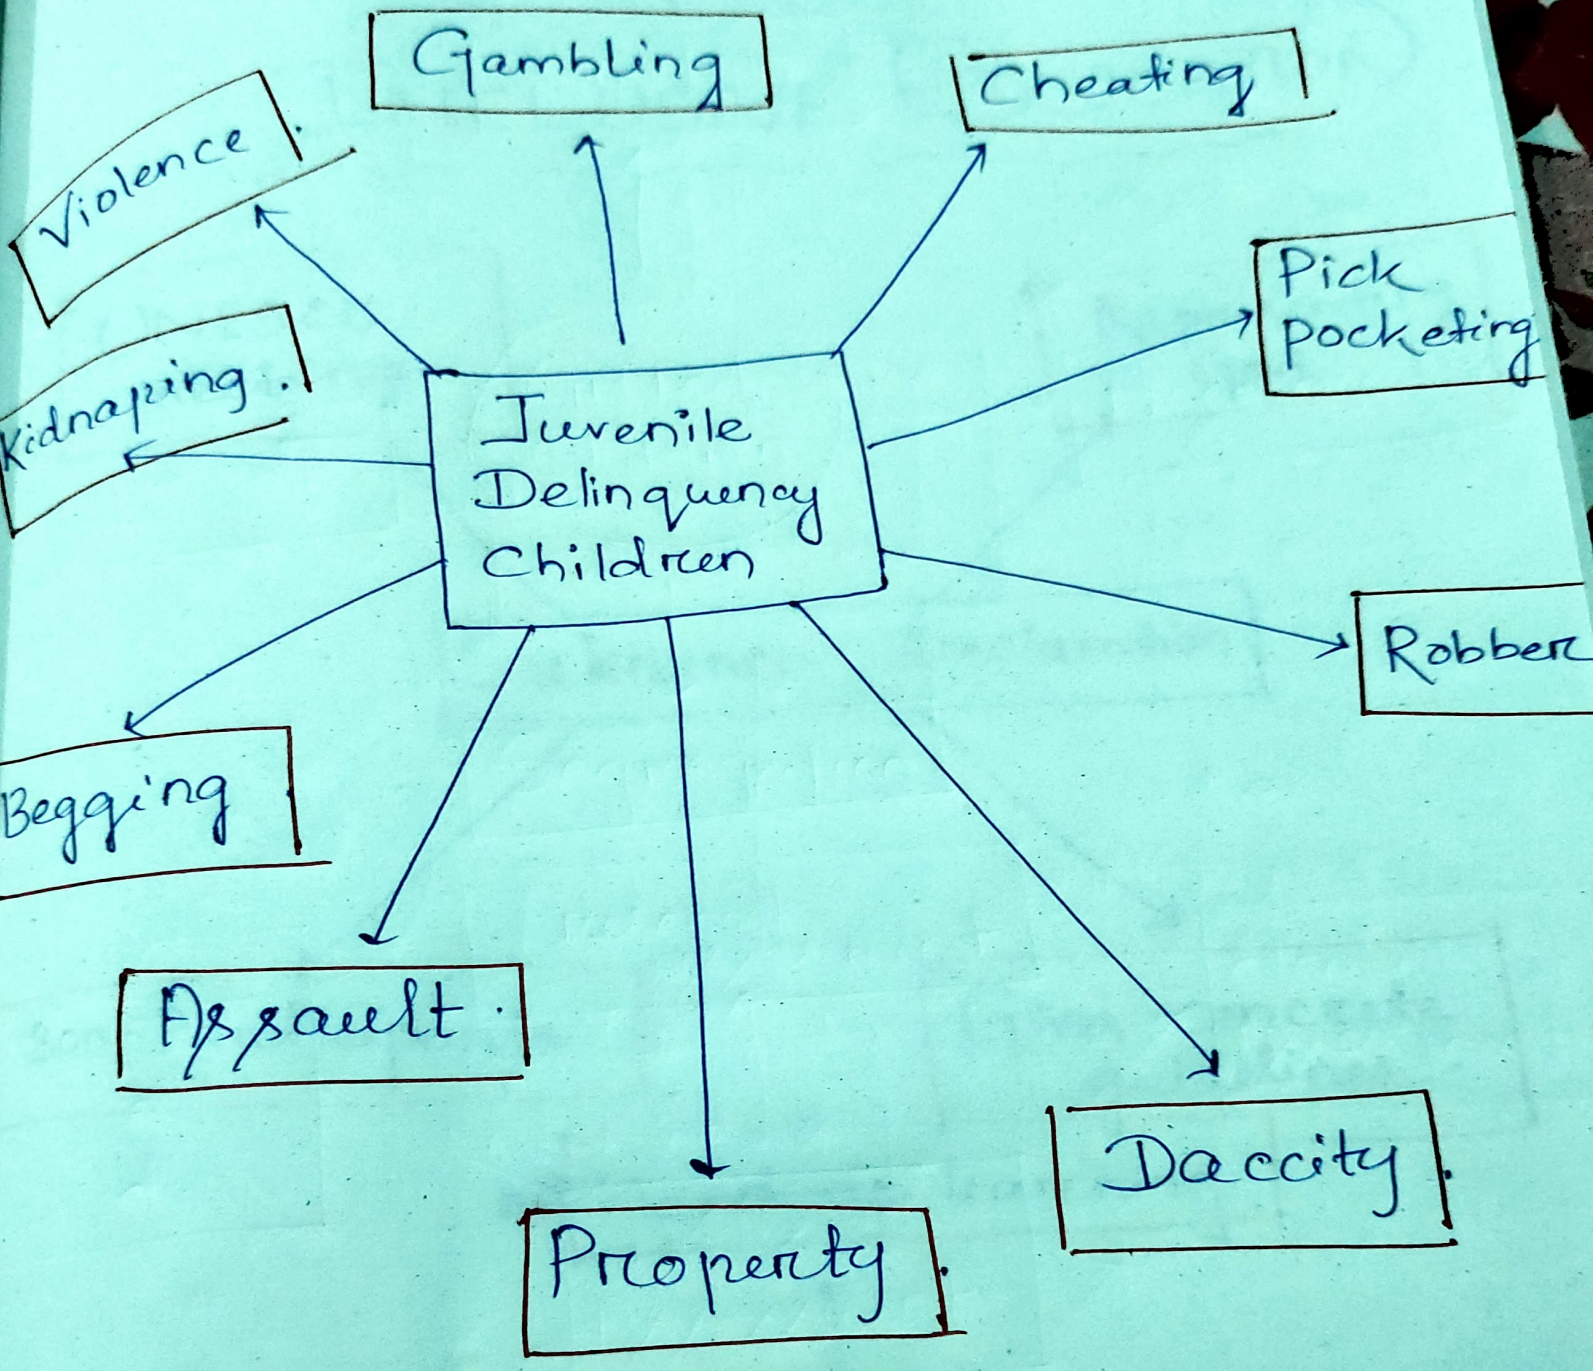
Strength of Muscles.
complecation
Range of Joint Motion.
Assessment of Locomotor disability
Sensation
Stability.
Hand function.
Co-ordination.
Hands on Therapy
Modifying Environment
Assistive Device.
Locomotor Disability
Special device
Surgery.
Medication.



Headache
Decreased sense, smell or taste.
Difficulty with speech.
Symptoms of Neurological Disorders.
Motor weakness.
Inability to read & write.
Decreased Hearing.
Altered consciousness
Confusion
Interviews.
Pupillary assessment
Vital signs.
Neurological assessment
Motor function.
Level of consciousness.
Cerebral function.
Sensory function.



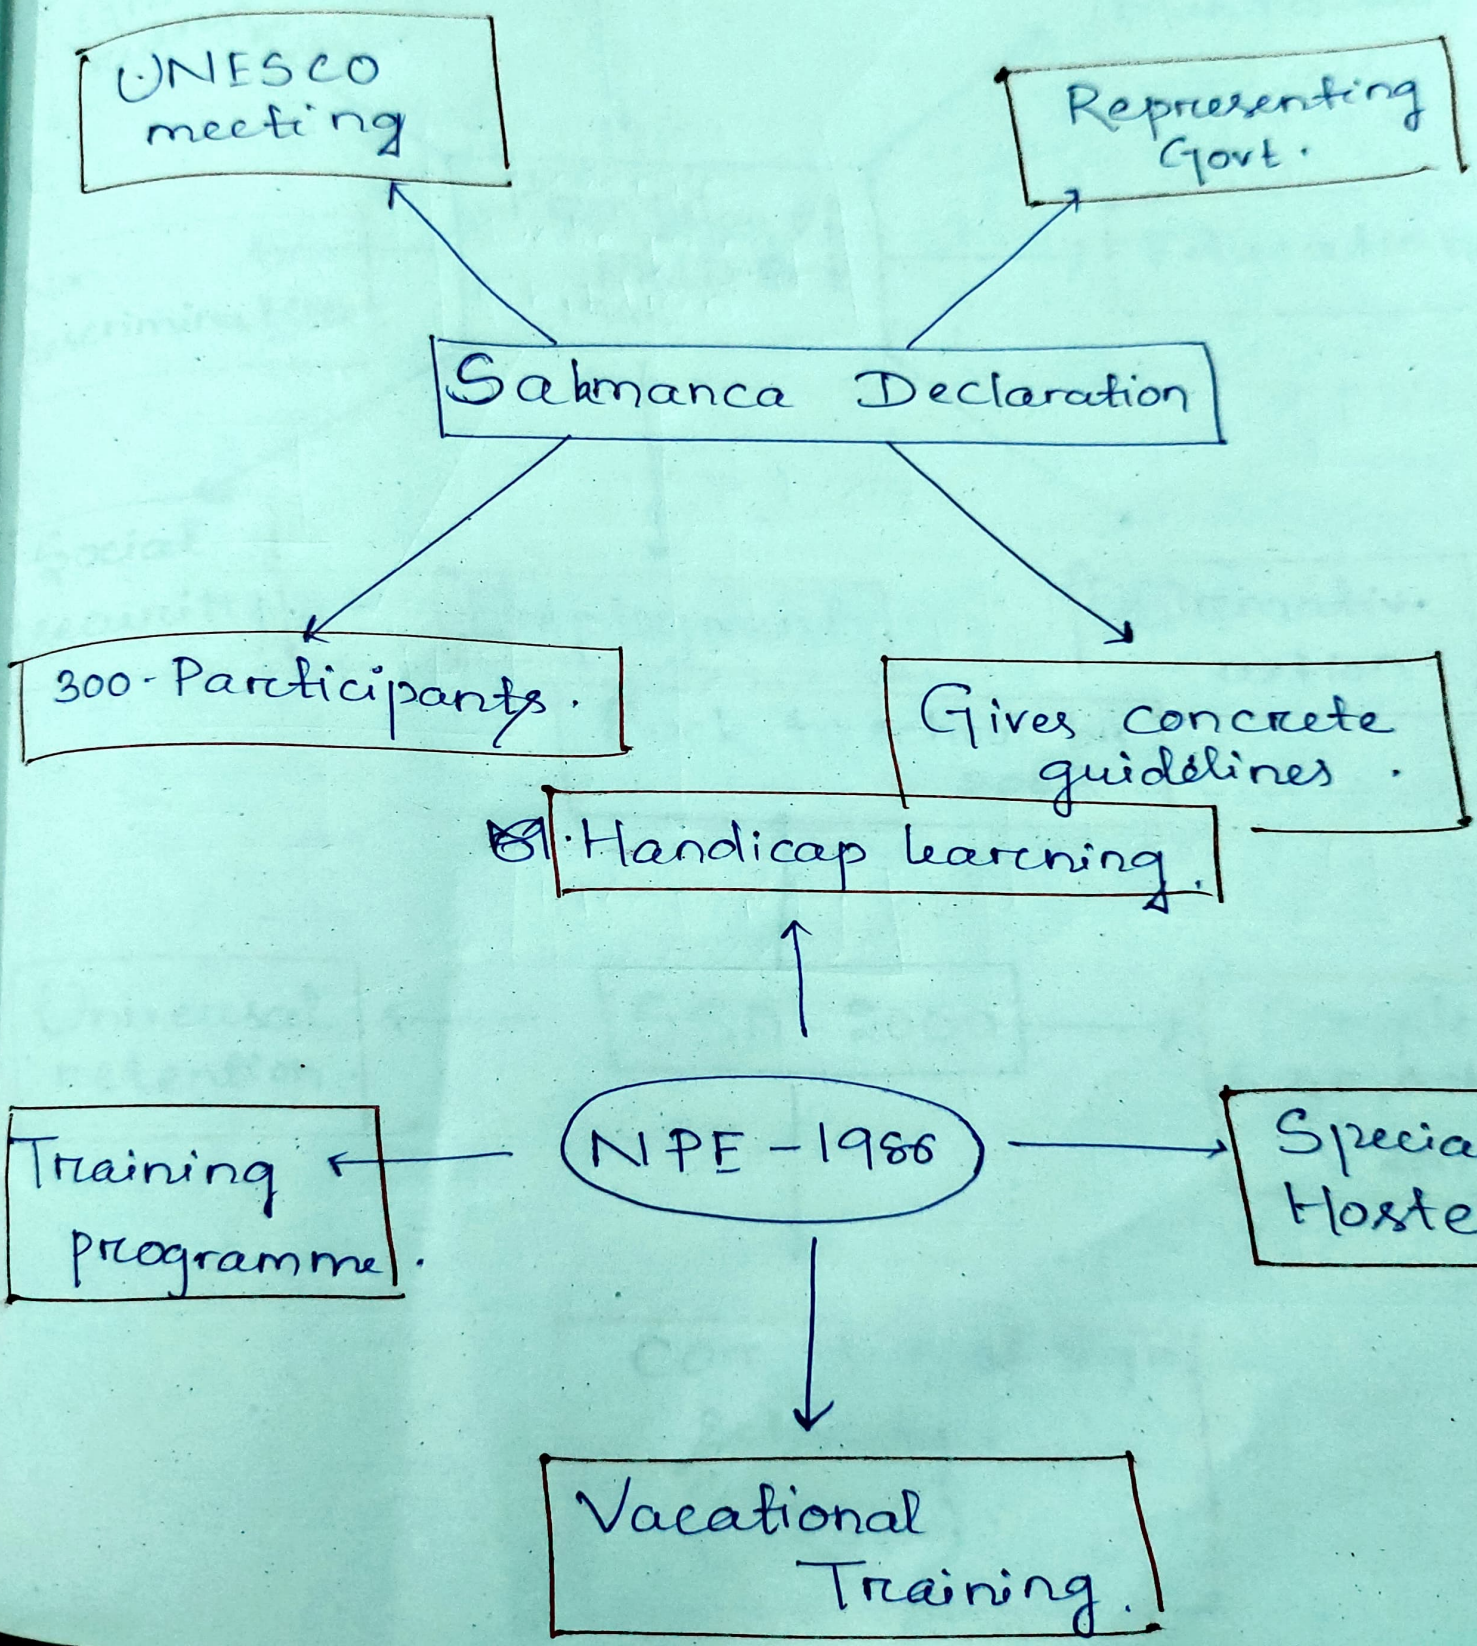
Selection.
Gifted Children
Enrichment.
Acceleration.
Segregation.
Preschool assessment
Informal Graded world.
Elementary Assessment
Autism Assessment
Stanford-Binet Test.
Achievement Test.
Informal Test

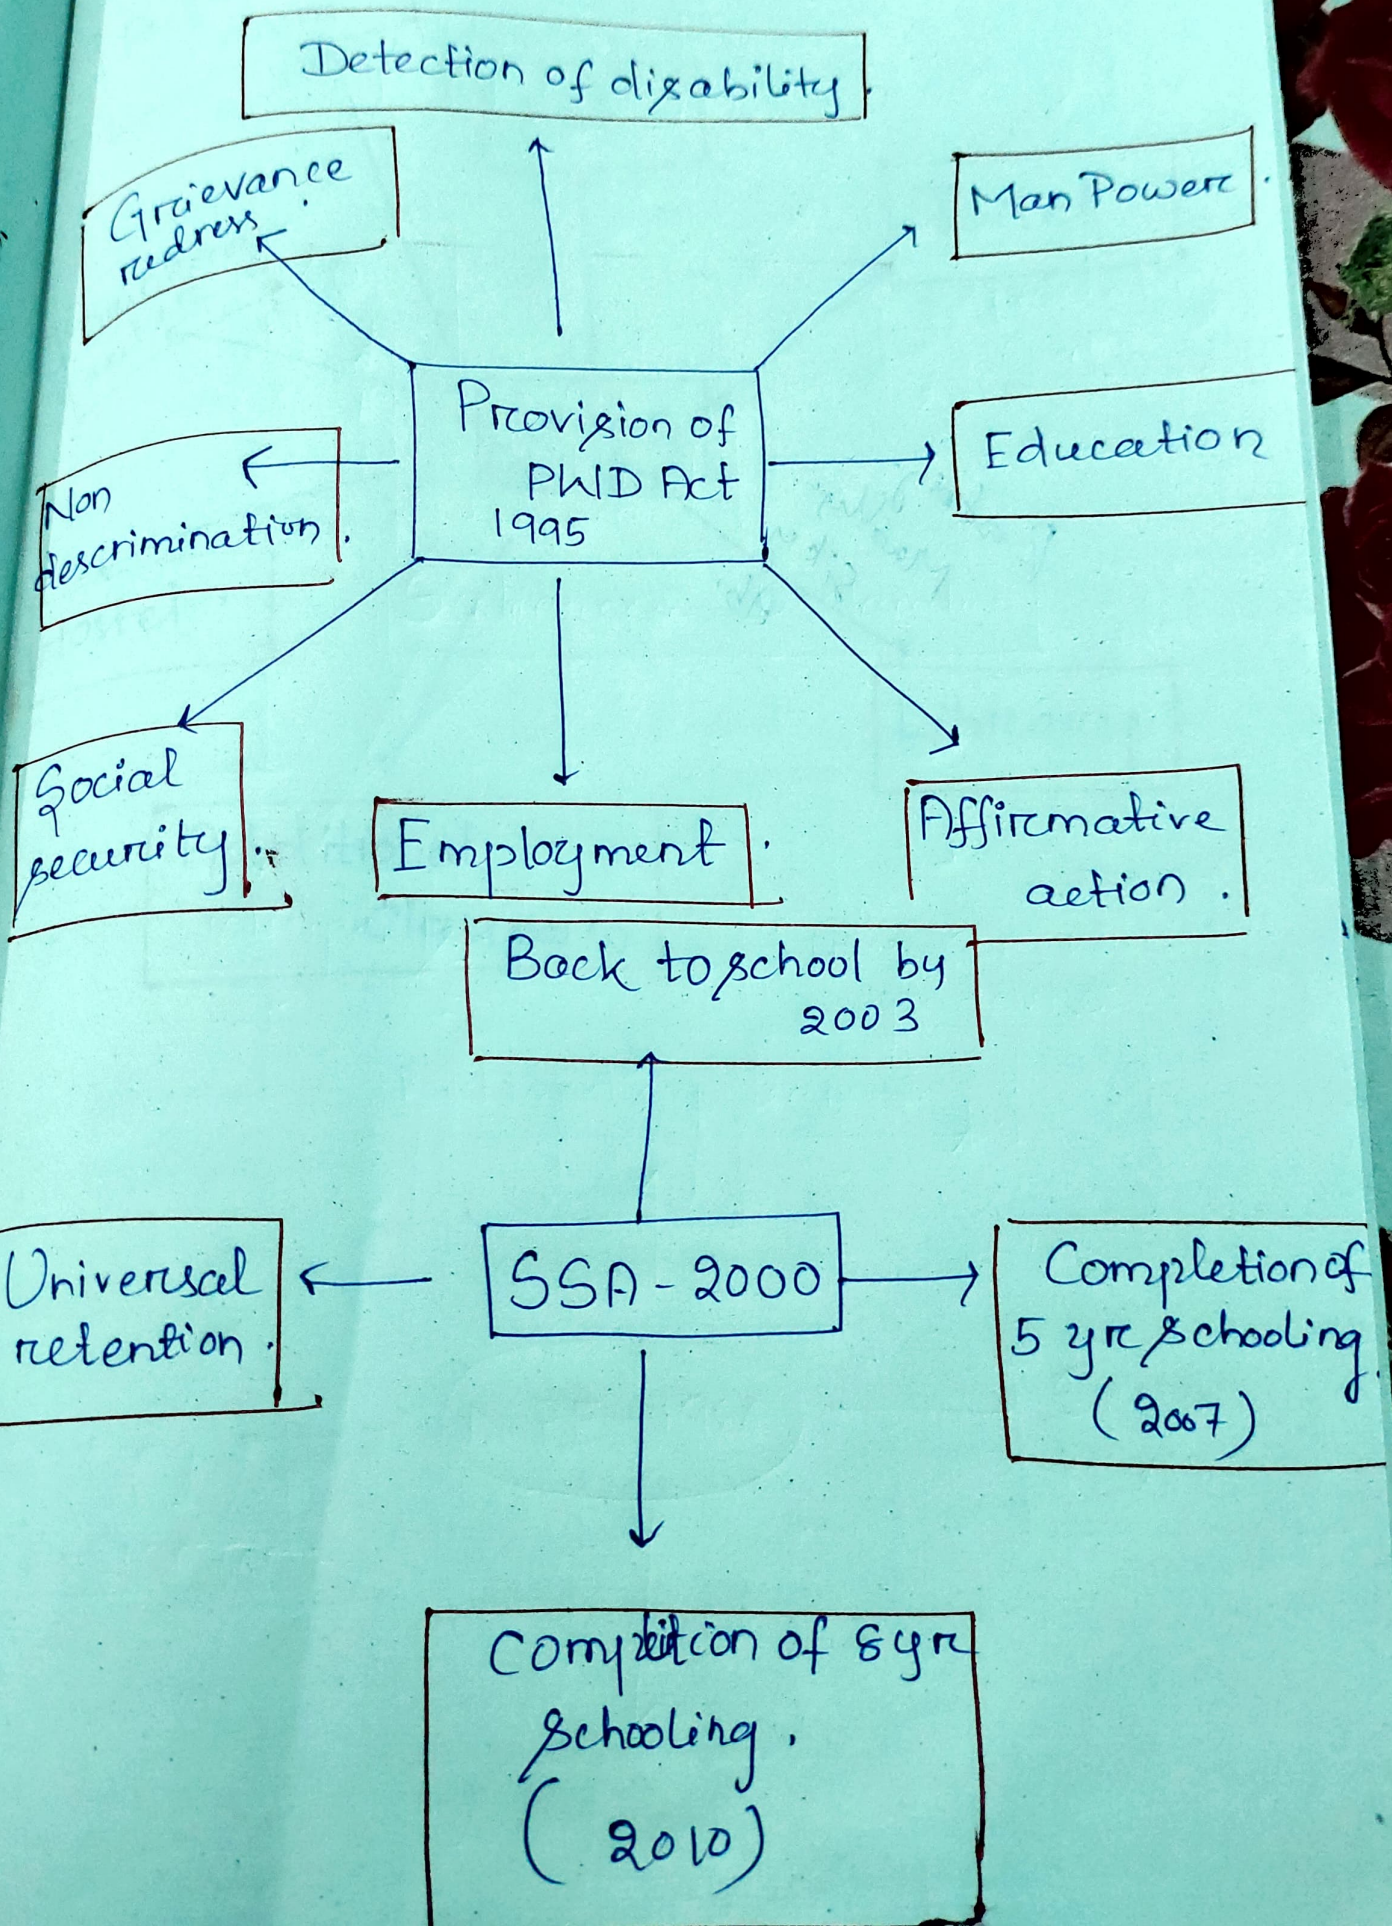


Gambling
Cheating
Violence
Pick pocketing
Kidnaping
Juvenile Delinquency Children
Robbery
Begging
Assault
Property
Daccity

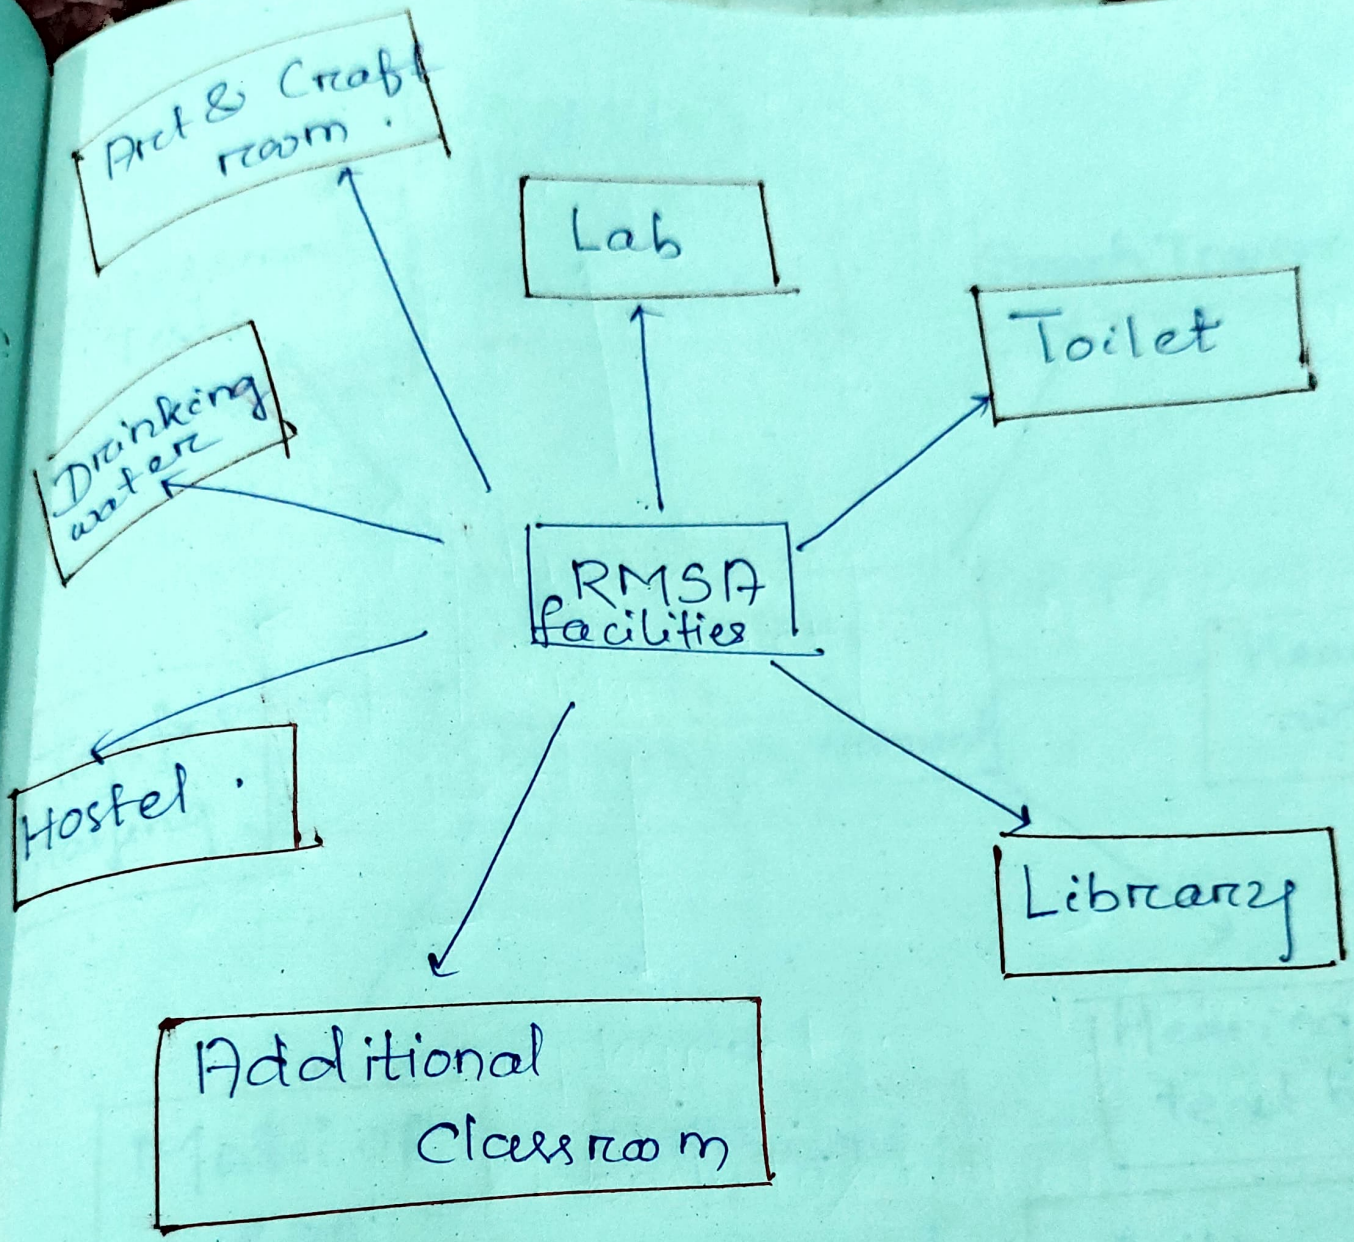
UNIT-4

INCLUSIVE EDUCATION



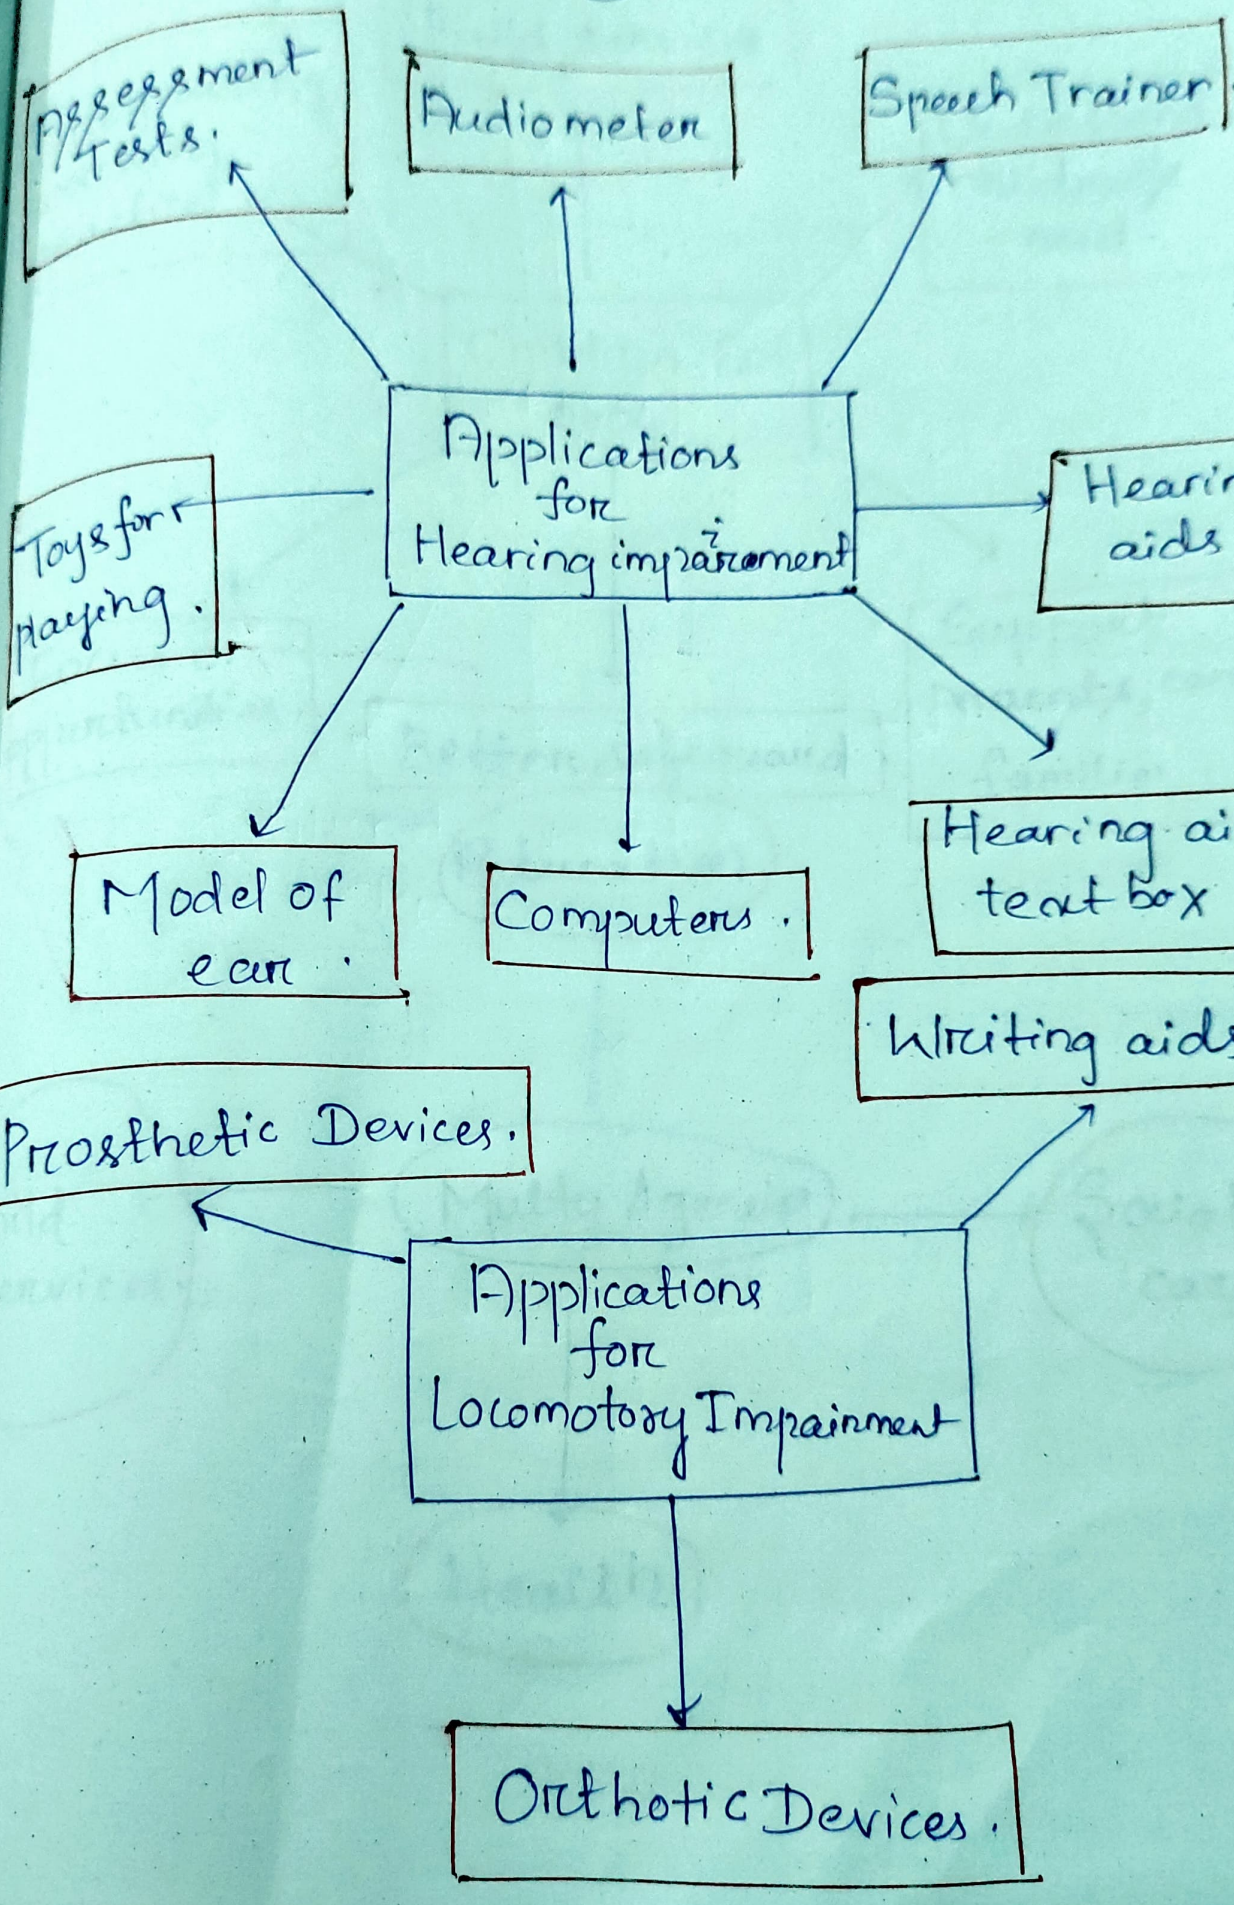


Detection of disability.
Grievance redress.
Man Power.
Provision of PWD Act 1995
Education
Non descrimination.
Social security.
Employment.
Affirmative action.
Back to school by 2003
SSA - 2000
Universal retention.
Completion of 5 yr schooling (2007)
Completion of 8 yr schooling. (2010)

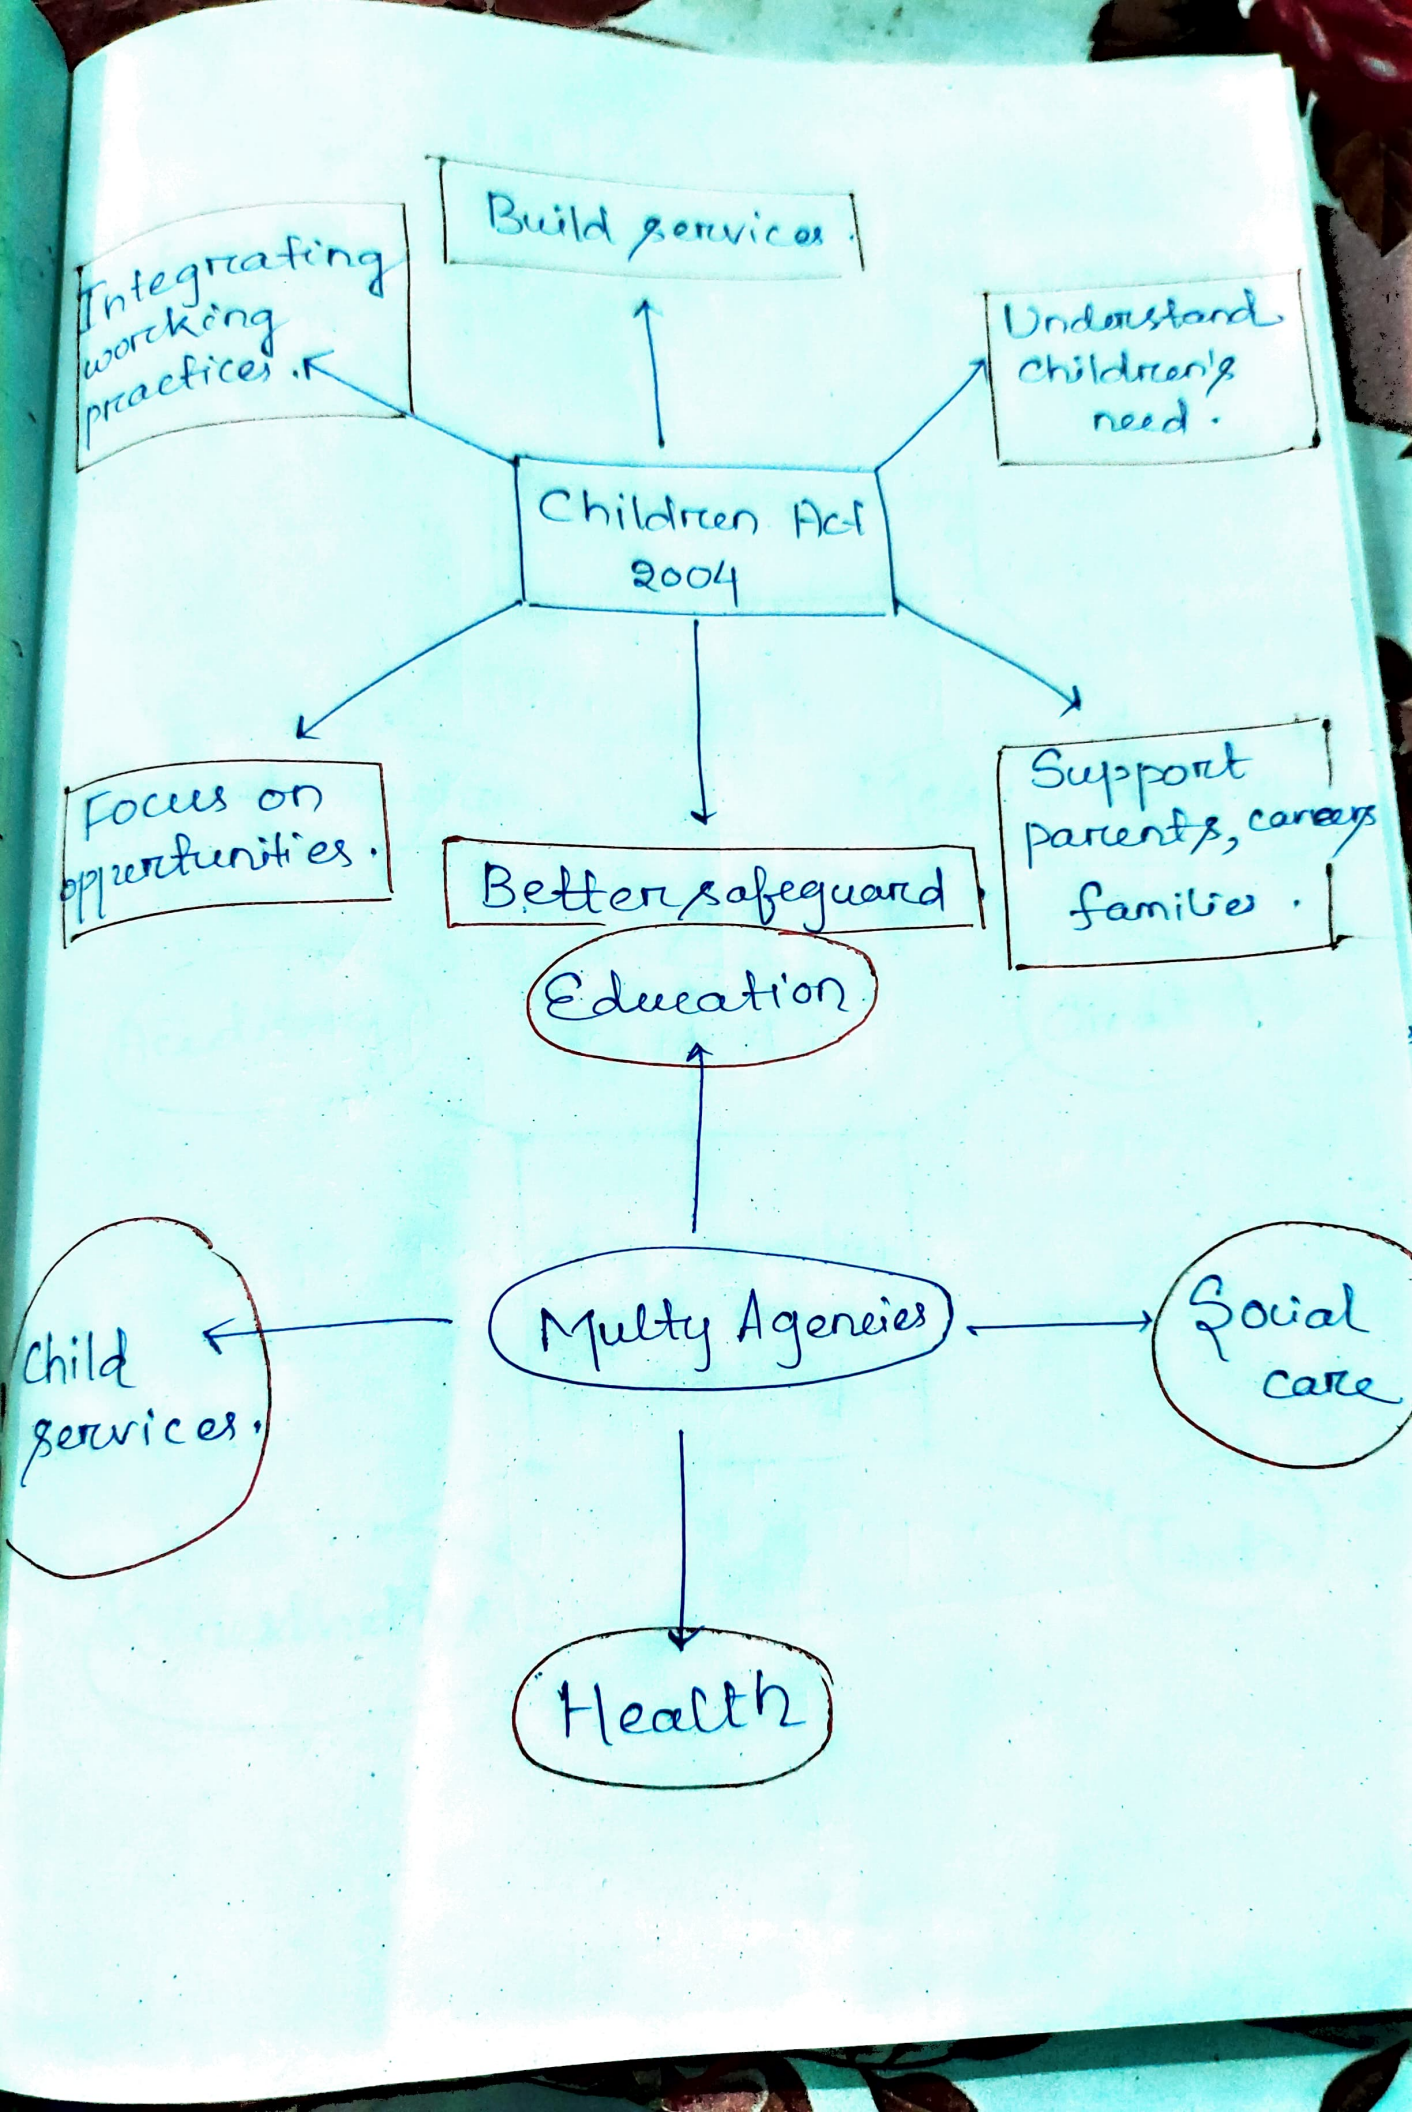


Art & Craft room.
Lab
Toilet
Drinking water
RMSA facilities
Hostel.
Library
Additional Classroom

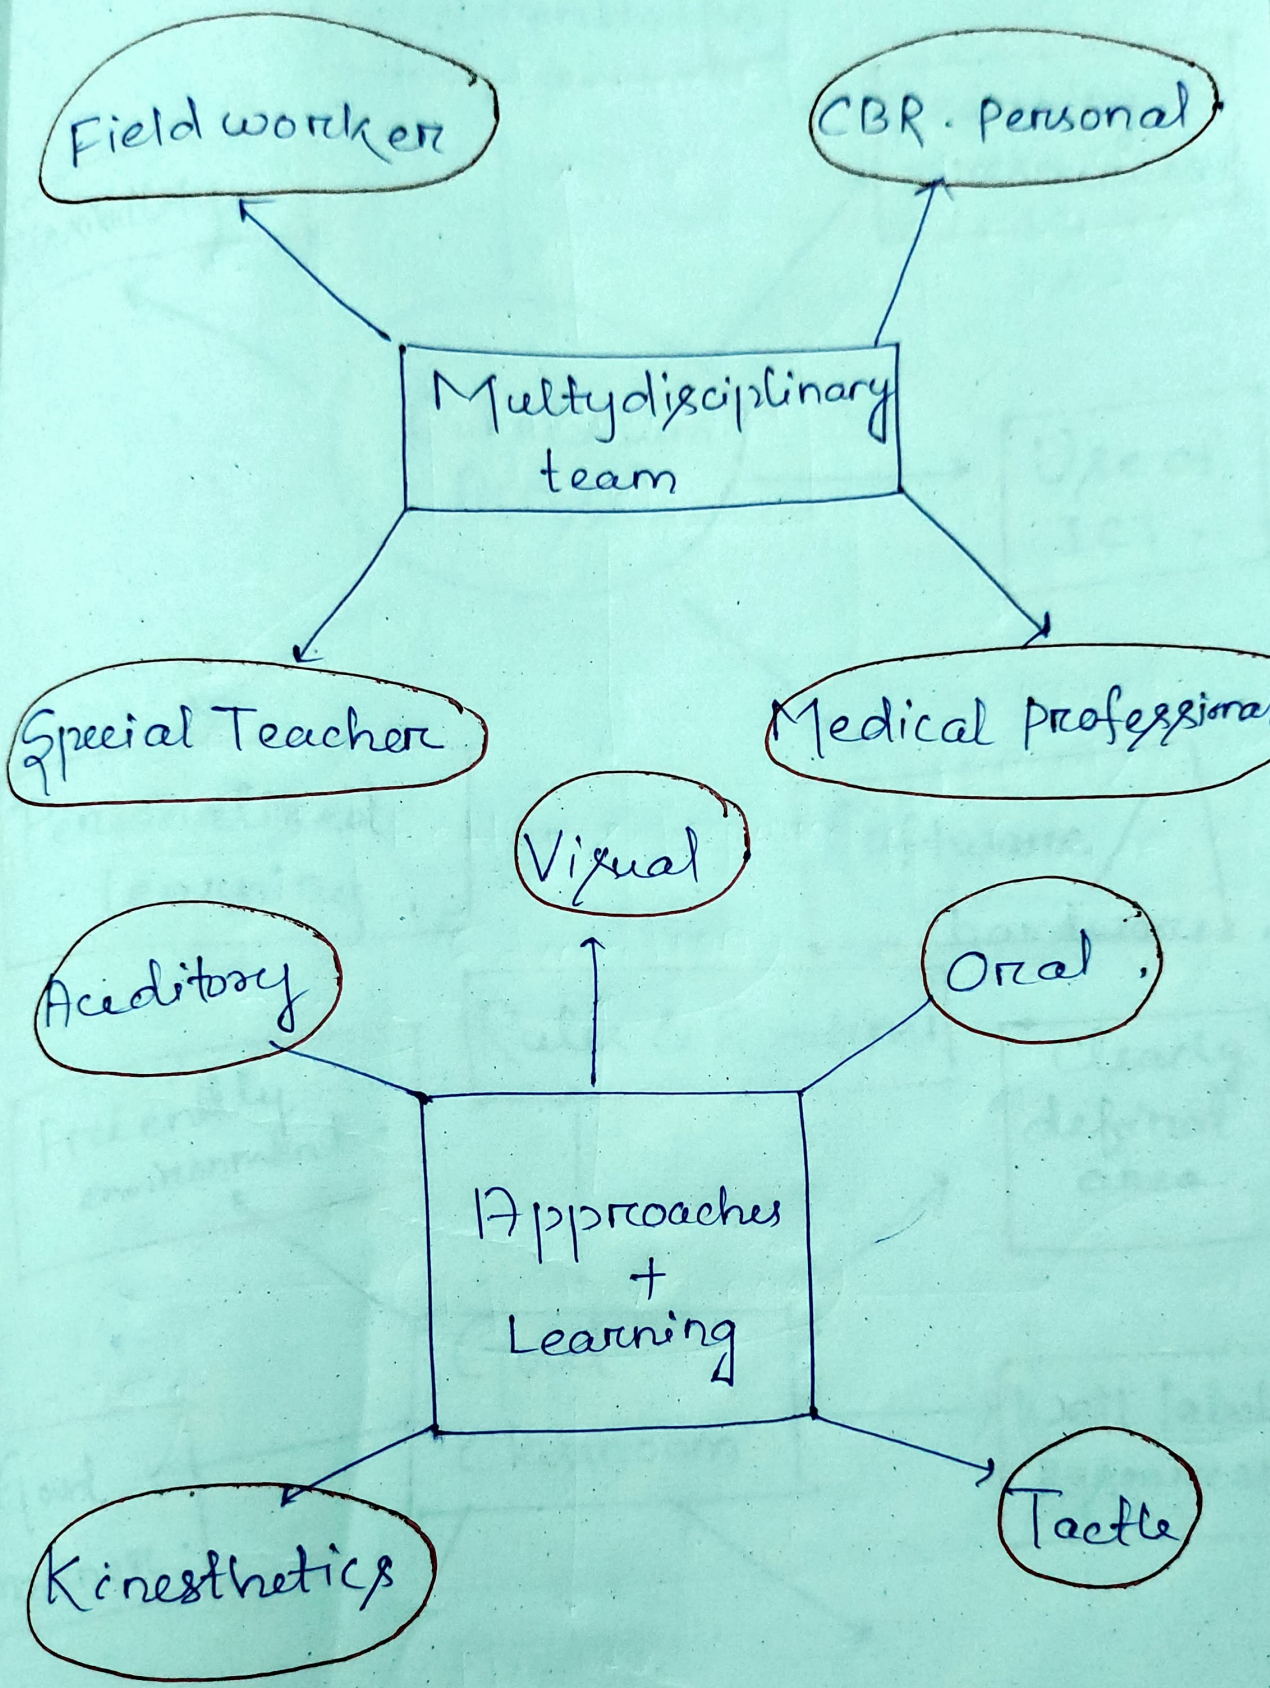
UNIT: (5)



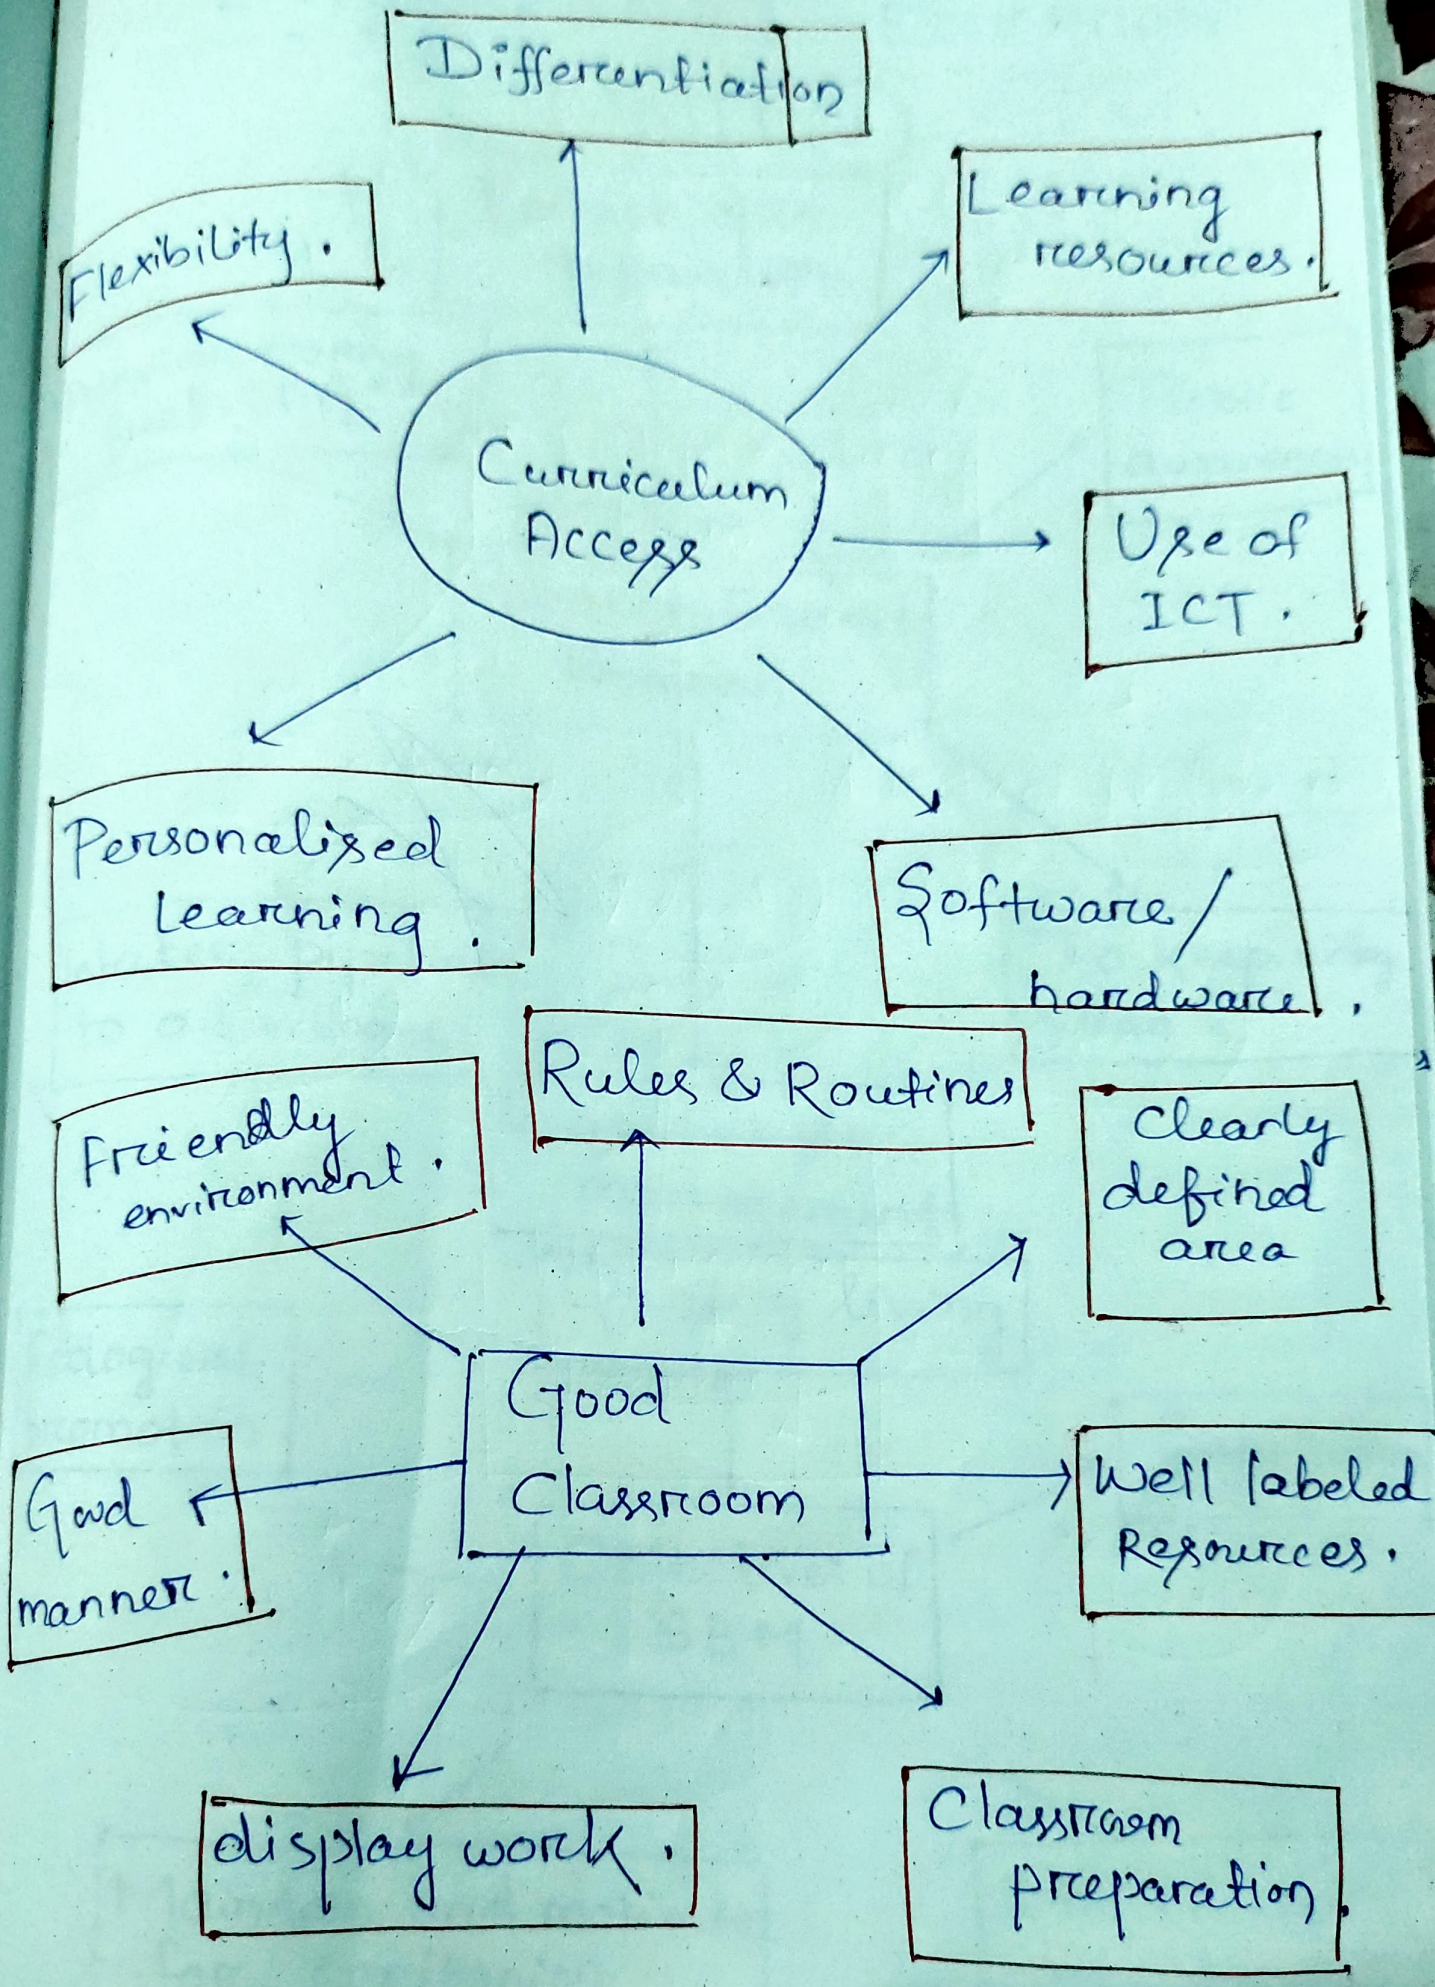
Assessment Tests.
Audiometer
Speech Trainer.
Applications for Hearing impairment
Toys for playing.
Hearing aids.
Model of ear.
Computers.
Hearing aid text box.
Writing aids
Prosthetic Devices.
Applications for Locomotory Impairment
Orthotic Devices.



Build services.
Integrating working practices.
Understand children's need.
Children Act 2004
Focus on opportunities.
Better safeguard
Support parents, carers families.
Education
Multy Agencies
Child services.
Social care
Health



Field worker
CBR. Personal
Multydisciplinary team
Special Teacher
Medical professiona
Visual
Acaditory
Oral
Approaches + Learning
Kinesthetics
Tactle



Differentiation
Flexibility.
Learning resources.
Curriculum Access
Use of ICT.
Personalised Learning.
Software / hardware.
Rules & Routines
Friendly environment.
Clearly defined area
Good Classroom
Good manner.
Well labeled Resources.
display work.
Classroom preparation.
